

City of Colfax 2020 General Plan Update

Virtual Community Workshop

To inform the General Plan update process, the City of Colfax is planning to hold an online workshop. The workshop will introduce the project and the process of updating the comprehensive, long-term plan for the City. The workshop will also introduce the Housing Element update, which is occurring concurrently with the General Plan update. Please join us to learn more about the update process, the specific steps the City is planning to meet the state's requirements for future development of the City, and share your insights.

For more information, or to send written input or questions ahead of the workshop please contact:

We Need Your Input

The General Plan is a comprehensive, long-term plan for the City and serves as a guide for decision making on physical development. Please join us at this virtual community workshop to share your insights and ideas for future development in Colfax.

This meeting will be interactive and conducted online. Meeting participants can join by desktop, tablet, and phone. Please register for the meeting at the Eventbrite link below to receive further information about how to join.

We look forward to “seeing” you there!
