~~(3)~~  
~~(4)~~(2) Although a transfer is not required in these two circumstances, the permit holder is required to notify the City Manager in writing of the change within ten (10) days of the change. Failure to comply with this provision is grounds for permit revocation.

~~retailerretailerretailerretailerretailerretailerretailerretailerretailerretailer~~

~~17.162.090 Delivery of Cannabis Prohibited~~

~~Except as otherwise allowed by Colfax Municipal Code Chapter 5.32, delivery of cannabis or products made from cannabis to or from any person, business, or location in the City of Colfax is prohibited. Notwithstanding the foregoing, a primary caregiver may personally deliver medical cannabis, products made from medical cannabis to a qualified patient or person with an identification card, for whom he or she is the primary caregiver.~~

17.162.070 Permit Requirements

Commercial cannabis activity, as defined, is permitted in the City only as expressly provided by this chapter and Chapter 5.32 as periodically amended.

17.162.080 Locational Limitations

Commercial cannabis businesses shall be conditionally permitted on appropriately zoned parcels within the City and shall be subject to the following locational requirements:

- A. The parcel shall be no closer than two hundred (200) feet from any residentially zoned parcel in the City, including any legal non-conforming residential uses as of the date the cannabis business permit is issued.
- B. The parcel shall be no closer than six hundred (600) feet from any parcel containing any of the following:
  - 1. A school providing instruction in kindergarten or any grades 1 through 12, (whether public, private, or charter, including pre-school, transitional kindergarten, and K-12);
  - 2. A commercial daycare center licensed by the County or City that is in existence at the time the permit is issued.
  - 3. A youth-oriented facility that is in existence at the time the permit is issued.
  - 4. A church or a city, county or Federal government building.
- C. Notwithstanding the buffer zones established in subsection (A) and (B) of this section, the City Council shall have the authority, pursuant to Business and Professions Code Section 26054(b), to adjust the distances of the buffer zones at their discretion.
- D. Upon denial of a conditional use permit based on any of the limitations set forth in this Section, the applicant may appeal such denial to the city council planning commission, which may grant an exception to the limitations set forth in this section upon findings that the intent of this chapter shall otherwise be met. No such exception shall be granted, however, for the distance limitations from those uses listed in subsection (B)(1) of this section. The decision of the planning commission may be appealed to the city council which shall make the final determination.

17.162.90 Measure of Distance

- A. All required minimum distances set forth in Section 17.162.080 shall be measured from the nearest property line of one designated location to the nearest property line of the other designated location along a straight line extended between the two points without regard to intervening structures.

**Commented [AC1]:** There was discussion about modifying this so the restrictions are no more restrictive than state law. Under 42 CCE 5026, that means 600 feet of school providing instruction in kindergarten or grades 1-12, day care center or youth center in existence when a license is issued. Also, what about the other restrictions such as cannot pass through a location that sells alcohol or tobacco, or a private residence? Would it be better to say "Commercial cannabis businesses shall be conditionally permitted on appropriately zoned parcels within the City and shall be subject to the locational requirements of Business & Professions Code Section 26054 and 42 CCR 5026 as amended from time-to-time."? If this issue is addressed in 5.32, the two provisions need to be consistent.

**Field Code Changed**

17.162.100 Enforcement

A. Public Nuisance. Violation of this chapter is hereby declared to be a public nuisance and subject to the enforcement process as set forth herein.

B. Abatement Authority.

1. The City of Colfax may, in its discretion, abate the violation of this chapter by prosecution of a civil action, including an action for injunctive relief without first going through the administrative procedures set forth herein. The remedy of injunctive relief may take the form of a court order, enforceable through civil contempt proceedings, prohibiting the maintenance of the violation of this chapter or requiring compliance with other terms.

2. The City may also abate the violation of this chapter through any lawful abatement process established by California law.

C. Abatement Procedures.

1. Whenever a code enforcement officer determines that a public nuisance (as defined in this chapter) exists, he or she shall post a seventy-two (72) hour notice to abate on the property where the public nuisance exists, and mail a copy of the same to those persons shown on the latest county tax roll or equivalent registry to be the owners of the property. The seventy-two (72) hour notice to abate shall inform the owner and/or tenants of the basis for the violation, and that an administrative penalty of five hundred dollars (\$500.00) per cannabis plant in excess of six plants or five hundred dollars (\$500.00) per every twenty-five (25) square feet of cannabis outside the allowed one-hundred (100) square feet; explain that if the violation is not corrected, the matter will be set for a nuisance abatement hearing, at which time the administrative penalty will increase to one thousand dollars (\$1,000.00) per cannabis plant in excess of six plants or one thousand dollars (\$1,000.00) per every twenty-five (25) square feet of cannabis outside the allowed one-hundred (100) square feet and explain that to prevent the accrual of additional penalties and costs, the owner or tenant must contact the code enforcement officer and arrange a time for a code enforcement officer to inspect the property, and confirm that the violation(s) have been corrected.

2. If the nuisance continues to exist after the expiration of the seventy-two (72) hour period, a code enforcement officer may set the matter for hearing by issuing a notice of nuisance abatement hearing. If the matter is set for hearing, the code enforcement officer shall post the property upon which the public nuisance exists and shall mail, with a proof of service, notices to those persons known to be in possession of the property, if any, and to persons shown on the latest county tax roll or equivalent registry to be the owners of the property at least five days prior to the hearing. The administrative penalty shall increase to one thousand dollars (\$1,000.00) per cannabis plant in excess of six plants or one thousand dollars (\$1,000.00) per every twenty-five (25) square feet of cannabis outside the allowed one-hundred (100) square feet from the date the notice of nuisance abatement hearing is posted on the property.

3. All hearings conducted under this chapter shall be held before a hearing officer designated by the City.

4. At the time and place set for the hearing, the hearing officer shall hear testimony and receive written and/or documentary evidence relating to the alleged violation. Additional procedural rules may be adopted by resolution of the Colfax City Council. The City shall record the hearing, and provide a copy of the recording to the hearing officer following the conclusion of the hearing. The City shall preserve the record of the hearing, and all photographs and demonstrative and documentary evidence at the time of the hearing, for a period of three years.

5. Within three days after the hearing is closed, the hearing officer shall render his or her written decision relating to the existence or nonexistence of the alleged public nuisance. If a violation is found to have existed at the time the notice of nuisance abatement hearing was posted, the decision shall include a statement that the City is entitled to recover its administrative costs and administrative penalties. If the hearing officer determines that the violation continues to exist, the decision shall also order that the owner of the property, or persons known to be in possession of the property, abate the violation within a reasonable time, not to exceed five days from the date the decision is placed in the mail. A copy of the decision shall be mailed by certified mail, return receipt requested, to the person or persons shown on the last City tax roll or equivalent registry to be the owners of the property which is the subject of the hearing and the occupant of such parcel, if any. All other persons noticed pursuant to this section shall be mailed a copy of the decision by first class mail, postage prepaid. The decision of the hearing officer shall be final and conclusive on the date the decision is deposited in the mail.

6. a. Notwithstanding any other provisions of this code, if a final decision of the hearing officer finds that a violation exists and the public nuisance is not voluntarily abated within five days of said decision being placed in the mail by the hearing officer, the City may abate the public nuisance by cutting and/or removing all cannabis plants from the property, pursuant to a warrant issued by a court of competent jurisdiction. The owner or owners of the property shall be responsible for paying all of the City's abatement costs and administrative costs, and administrative penalties. The code enforcement officer, or designee, shall keep an accounting of the abatement and administrative costs for each case. Upon completion of the abatement of the nuisance, whether by the City or the owner or tenant, the code enforcement officer, or designee, shall post the property and send a bill to the owner, and any persons known to be in possession of the property, requesting payment of the City's abatement and administrative costs, as well as all administrative penalties. The bill shall also state that failure to pay the costs and penalties within fifteen (15) days from service of the bill may result in the recording of a lien and the placement of a special assessment against the property.

b. If the City's costs and penalties are not paid within fifteen (15) days from service of the bill, the code enforcement officer, or designee, shall render an itemized report to the City Clerk for submittal to the City Council for hearing and consideration regarding the proposed lien and special assessment. The report shall include the names and addresses of the owner of record and any persons known to be in possession of the property, and an itemized account of the City's abatement costs, administrative costs, and administrative penalties. At least fifteen (15) days prior to said hearing, the City Clerk shall give notice, with proof of service, of said hearing to all persons named in the code enforcement officer, or designee's, report and shall post the property with a copy of the notice. The notice shall describe the property by assessor's parcel number and street number or other description sufficient to enable identification of the

property and contain a statement of the amount of the proposed lien and special assessment. The notice shall also contain a statement that the Council will hear and consider objections and protests to the proposed lien and special assessment at the designated time and place.

7. At the time and place fixed in the notice, the City Council shall hear and consider the proposed lien and special assessment together with objections and protests thereto. At the conclusion of the hearing, the City Council may make such modifications and revisions to the proposed lien and special assessment costs it deems just and may order that the proposed lien and special assessment be recorded and specially assessed against the property by the Placer County auditor-controller's office. The lien shall have the same force, priority and effect as a judgment lien and the special assessment shall have the same priority as other City taxes.

8. The notice of lien shall, at a minimum, identify the record owner or possessor of the property, set forth the date upon which the decision of the hearing officer was issued, describe the real property subject to the lien, set forth the amount of the costs and penalties incurred to date and, if applicable, the date upon which the abatement was completed. If the abatement has not yet been completed, the notice shall so state and shall also indicate that the lien is a partial lien and that additional abatement costs will be incurred in the future.

9. A copy of any notice required by this chapter or decisions of either the hearing officer, City Council or designee as required by this chapter may be recorded in the office of the County Recorder of Placer County.

a. **Release of Notice.** Where a notice has been served as required by this chapter and a hearing body has determined that sufficient grounds do not exist for nuisance abatement, or where the owner of an affected premises has corrected the condition that was the basis for initiation of enforcement action, the official shall record a satisfaction release and removal of notice of nuisance or notice of nuisance abatement.

b. **Payment of Costs Prior to Release.** In the event that enforcement costs have been incurred in the investigation/processing of a violation for which a notice is required, the release of such notice shall not be recorded until all such costs have been reimbursed to the City.

c. **Attorney Fees.** In any action to foreclose on a lien issued pursuant to this chapter, the City shall be entitled to an award of attorney's fees and costs.

D. **Abatement Costs—Administrative Costs.** In any action, administrative proceeding, or special proceeding to abate a nuisance, attorneys' fees may be recovered by the prevailing party. In no action, administrative proceeding, or special proceeding shall an award of attorneys' fees to a prevailing party exceed the amount of reasonable attorneys' fees incurred by the City in the action or proceeding.

E. **Summary Abatement.** Notwithstanding any other provision of this chapter, when any unlawful cannabis cultivation constitutes an immediate threat to the public health or safety, and where the procedures set forth in subsection C of this section would not result in abatement of

that nuisance within a short enough time period to avoid that threat, the City Manager, Community Services Director or designee may direct any officer or employee of the City to summarily abate the nuisance. The code enforcement officer shall make reasonable efforts to notify the persons identified in subsection C.2 of this section but the formal notice and hearing procedures set forth in this chapter shall not apply. The City may nevertheless recover its costs for abating that nuisance in the manner set forth in this chapter.

#### 17.162.110 Non-Exclusive Remedy

This chapter is cumulative to all other remedies now or hereafter available to abate or otherwise regulate or prevent public nuisances under this chapter or by applicable law.

#### 17.162.120 Administrative Penalties

It is unlawful and a public nuisance to violate any of the provisions of this chapter and the City shall have the authority to cause the abatement and removal thereof in accordance with the procedure prescribed in this chapter. The violation of any provision of this chapter shall be and is hereby declared to be contrary to the public interest and shall, at the discretion of the City, create a cause of action for injunctive relief. In addition to the penalties set forth herein, any person that violates the provisions of this chapter may be subject to administrative remedies, as set forth by City ordinance. Unless otherwise expressly provided, the remedies, procedures and penalties provided by this section are cumulative to each other and to any others available under state law or other City ordinances.

A. For violation of Section 17.162.040 (Outdoor personal cannabis cultivation), a civil penalty of five hundred dollars (\$500.00) per cannabis plant in excess of six plants or five hundred dollars (\$500.00) per every twenty-five (25) square feet of cannabis cultivation outside the allowed one-hundred (100) square feet; however, if a notice of nuisance abatement hearing is issued, the penalty shall increase to one thousand dollars (\$1,000.00) per cannabis plant in excess of six plants and one thousand dollars (\$1,000.00) per every twenty-five (25) square feet of cannabis cultivation outside the allowed one-hundred (100) square feet.

B. For violation of Section 17.162.050 (Indoor personal cannabis cultivation), a civil penalty of five hundred dollars (\$500.00) per cannabis plant in excess of six plants or five hundred dollars (\$500.00) per every twenty-five (25) square feet of cannabis cultivation outside the allowed one-hundred (100) square feet; however, if a notice of nuisance abatement hearing is issued, the penalty shall increase to one thousand dollars (\$1,000.00) per cannabis plant in excess of six plants or one thousand dollars (\$1,000.00) per every twenty-five (25) square feet of cannabis cultivation outside the allowed one-hundred (100) square feet.

C. For violation of Section 17.162.060 (Prohibition of commercial cannabis activity), a civil penalty of one thousand dollars (\$1,000.00) per plant for each violation of commercial cannabis cultivation and a civil penalty of five thousand dollars (\$5,000.00) per day for all other violations.

~~D. For violation of Section 17.162.070 (Prohibition of manufacturing cannabis activity), a civil penalty of five thousand dollars (\$5,000.00) per day for each separate violation.~~

~~E. For violation of Section 17.162.080 (Prohibition of cannabis dispensaries), a civil penalty of five thousand dollars (\$5,000.00) per day for each separate violation.~~

~~F. For violation of Section 17.162.090 (Prohibition of delivery of cannabis activity), a civil penalty of five hundred dollars (\$500.00) for each separate violation.~~

G. At the nuisance abatement hearing, the hearing officer shall determine the total amount of administrative penalties that have accrued at the time of the hearing, and that amount shall be reflected in the decision and awarded to the City. Administrative penalties shall not be awarded if the property owner establishes all of the following: (1) that, at the time he or she acquired the property, a violation of this chapter already existed on the property; (2) the property owner did not have actual or constructive notice of the existence of that violation; and (3) prior to the nuisance abatement hearing, the property owner initiates and pursues, with due diligence, good faith efforts, to meet the requirements of this code. In his or her decision, the hearing officer may compromise the amount of any administrative penalties. When determining whether to compromise any penalty amount, the hearing officer shall take into consideration the nature, circumstances, and gravity of the violation(s), any prior history of violations, the degree of culpability, the financial burden to the person(s) upon whom the penalty has been imposed, the degree to which the proposed compromise will facilitate collection of the penalties without the need for further legal action, and any other matters justice may require. If at the time of the hearing the nuisance has yet to be abated, the decision shall state that the administrative penalties shall continue to accrue as specified in subsections A through F of this section until the nuisance is abated. The decision of the hearing officer shall be final and conclusive on the date the decision is deposited in the mail.

H. Any decision regarding the amount of administrative penalties imposed by a hearing officer pursuant to this chapter may be appealed by any aggrieved person to the Colfax City Council as follows:

1. **Appeal Subject.** Any appeal under this section shall be limited to the amount of administrative penalties imposed by the hearing officer.

2. **Timing and Form of Appeal.** An appeal must be filed within ten (10) days from the date the decision was deposited in the mail. Appeals filed more than ten (10) days after the decision was deposited in the mail shall not be accepted for filing. A notice of appeal shall be in writing, shall include a detailed statement of the factual and/or legal grounds upon which the appeal is being taken and shall include a copy of the decision of the hearing officer. The appeal shall be accompanied by the filing fee set by the most current City fee schedule.

3. **Filing and Processing.** An appeal shall be filed with the City Clerk, who shall process the appeal pursuant to this section, including scheduling the matter before the City Council. The Colfax City Council may designate a subcommittee of two or three members to hear and rule upon any appeal provided for in this section.

4. **Effect of Filing.** In the event of an appeal under this section, only the decision as to the amount of the administrative penalties shall be set aside and have no effect until final

action by the appeal body pursuant to this section. The appeal shall have no effect on any other factual or legal determination of the hearing officer.

5. Report and Scheduling of Hearing. When an appeal has been filed under this section, the City Manager, or designee, shall prepare a report on the matter and shall schedule the matter for consideration by the City Council (or subcommittee so designated) after completion of the report.

6. This Section intentionally omitted.

7. Action and Findings. After an appeal has been scheduled by the City Clerk, the City Council (or subcommittee so designated) shall conduct a public hearing. At the hearing, the City Council (or subcommittee so designated) shall initiate a discussion limited only to the amount of the administrative penalties imposed by the hearing officer and, in addition, the specific grounds for appeal.

a. The City Council (or subcommittee so designated) may affirm, affirm in part, reverse or reverse in part the decision or determination of the hearing officer as to the amount of the administrative penalties imposed based upon findings of fact about the particular case. The findings shall identify the reasons for the action on the appeal, and verify the compliance or noncompliance of the subject of the appeal with the provisions of this chapter.

b. A decision by the City Council (or sub-committee so designated) under this section shall be final.

8. Time Limits on Appeals. Upon receipt of an appeal in proper form, the City Council shall schedule the matter for consideration by the City Council. The City Council, or a subcommittee thereof, shall commence a public hearing on the appeal within ninety (90) days of its proper filing, or within such other time period as may be mutually agreed upon by the appellant, in writing, and the appeal body, in writing. If the public hearing is not commenced within ninety days, or an alternative time period is not agreed upon by the appellant and the appeal body, the decision rendered by the hearing officer shall be deemed affirmed. Once commenced, a public hearing on an appeal may be continued from time to time for good cause.

9. Withdrawal of Appeal—Hearing Decisions. After an appeal of a decision has been filed, an appeal shall not be withdrawn except with the consent of the appropriate hearing body.

I. All money and assets collected in payment for penalties for violations of this chapter and all money and assets collected for recovery of costs of enforcement of this chapter shall be used to offset the cost of enforcement of this chapter.

#### 17.162.130 Criminal Penalty Provisions

A. Violation of any provision of this chapter is a misdemeanor unless (1) the city attorney authorizes issuance of an infraction citation or files, or authorizes the filing of, a complaint

charging the offense as an infraction or (2) a court with jurisdiction over the matter, upon recommendation of the city attorney, determines that the offense should be prosecuted as an infraction.

B. Any person who violates any provision of this chapter shall be guilty of a separate offense for each and every day during any portion of which any such person commits, continues, permits, or causes any violation thereof, and shall be penalized accordingly.

#### 17.162.140 No Duty To Enforce

Nothing in this chapter shall be construed as imposing on any code enforcement officer or the City of Colfax any duty to issue a notice to abate, nor to abate any violations of this chapter and neither the code enforcement officer, nor the City, shall be held liable for failure to issue an order to abate any violation of this chapter.

#### 17.162.150 Severability

The provisions of this chapter are declared to be separate and severable. The invalidity of any clause, phrase, sentence, paragraph, subdivision, section or portion of this chapter, or the invalidity of the application thereof to any person or circumstance shall not affect the validity of the remainder of this chapter, or the validity of its application to other persons or circumstances.
