

CITY OF COLFAX, CALIFORNIA

Public Works Working Supervisor

CITY OF COLFAX

Above the fog and below the snow the City of Colfax seeks to preserve a healthy, stable, and local economy, while embracing its rich heritage.

Our City values friendly neighborhoods, good schools, and Community organizations, which help create a distinctive town in which to live and work. We value our historic architecture, rich rail history, abundant recreational opportunities and natural resources that enhance the quality of life in Colfax.

Colfax has a strong sense of community. We take pride in our highly collaborative emergency services team, the community's robust civil services and vibrant volunteer organizations. Each group serves the community to create an ideal place to live, work and enjoy the beautiful Sierra Foothills.

The City will continue to provide for a positive plan for growth, infrastructure, and alternative transportation opportunities for its citizens. The City of Colfax will govern in a pro-active manner ensuring the delivery of essential health and safety services.

The City is confident they can meet the challenges of responsible growth in the future.

THE AREA

While honoring our rich cultural history as a transportation hub during the Gold Rush of the 1850's and as the western terminus of the first transcontinental railroad, the people of Colfax look to a future of vital, balanced growth.

Just over 2,000 residents are fortunate to live in a community nestled in the Sierra Mountains. Colfax is at the heart of the areas great outdoor recreational attractions including snow skiing, hiking trails, American River and Bear River, and Rollins Lake.

Visit Colfax to experience the quaint historic downtown area with a train depot, museum, library, shops, and restaurants or stop by the I-80 corridor for refreshments and fun on your travels between the High Sierra and the Sacramento/Bay Area region.

Colfax is an ideal place to live, work, and visit!

CORE VALUES

Initiative – is taking independent action and/or creating opportunities to get the job done and prevent or resolve problems.

Respecting Differences – is understanding of the differences others bring as well as seeking and valuing others' input.

Accepting Responsibility – is holding oneself accountable for one's work or actions and striving for continuous improvement of the city's overall effectiveness.

Service Motivation – is committed to serve the public and to meet the needs of customers, fellow employees and the city. It means focusing one's efforts on finding out and meeting the needs of others. Shares information openly.

Adaptability – is the ability and willingness to adapt to and work effectively in light of new information, changing situations and/or different environments.

THE POSITION

The Public Works Working Supervisor will perform advanced journey level, lead, and supervisory responsibilities, to include a wide variety of maintenance, construction or operational tasks. Incumbents perform skilled work in the maintenance, repair or operation of streets, storm water, sewer collection, parks and buildings. Under direction of the Public Works Director, this position leads, oversees, reviews, and performs work activities and duties assigned to the Public Works maintenance crews; assumes responsibility for the more difficult and complex tasks; performs other related duties as required. The Public Works Working Supervisor classification is part of City management and is within the classifications represented by, or eligible for representation by, Stationary Engineers Local 39. This position currently supervises a total of three staff, to include two (2) Maintenance Worker Is and one Maintenance Worker II position. Additionally, this is a FLSA non-exempt position.

IDEAL CANDIDATE

The ideal candidate will have proven success and experience as a supervisor. Strong candidates will possess the ability to lead and motivate staff to ensure a positive and collaborative working environment. Strong communication and interpersonal skills are a must for this position, as is the ability to adhere to the safety protocols. As a Public Works Working Supervisor, this position will possess excellent organizational skills in the maintenance of records as well as for future planning of work. Additionally, the ideal candidate will possess the ability to effectively troubleshoot a range of issues and matters as related to construction, plumbing, electrical, paving, and asphalt. Strong decision-making skills and the ability to manage any issues as they arise are critical skills for this position.

■ TRAINING AND EXPERIENCE

Any combination of education and experience that has provided the knowledge, skills and abilities necessary for a Public Works Working Supervisor. A typical way of obtaining the required qualifications is possession of the equivalent of:

- » Three years of experience in construction or maintenance of streets, sewer collections, storm water, or parks.
- » A high school diploma or equivalent.

■ LICENSE AND CERTIFICATES

Possession of a valid California driver's license required.

■ COMPENSATION AND BENEFITS

The salary for the Public Works Working Supervisor is **\$27.82 – \$35.61/hour**. Placement within this range is dependent upon qualifications and experience.

The City also offers a generous benefits package including:

- » **Health/Dental/Vision** – The city provides a contribution to medical, dental, and vision benefits.
- » **Opt-Out Benefits** – Those who do not select our medical plan there is an \$400.00 cash-in-lieu of benefit.
- » **Retirement** – The City participates in the California Public Employees' Retirement System (CalPERS) with a 2% at 60 formula for Classic Employees. For employees covered under PEPR, the retirement formula is 2% at 62.
- » **Life Insurance** – The City pays for \$15,000 life insurance policy.
- » **Vacation** – Based on years of service completed; starting at 10 days annually.
- » **Holiday** – 13 days per year.
- » **Sick Leave** – 12 days per year.
