The decision to require an employee to submit to such medical examination shall be based upon reasonable cause to believe, by the employee's department head or designee, that the employee is unable to perform the essential functions of the employee's position based on a medical or psychological condition or poses a threat to self or others. The City shall pay the cost of such examination.
- B. The physician shall make a written report to the City. Information provided by the City's physician shall be kept confidential. A copy of the physician's report shall be given to the employee. The physician's report shall include what, if any, reasonable accommodations the City may make to accommodate the employee.

The City shall give first consideration to those employees making such requests before considering any other persons for the vacancy.

- B. In the event more than one qualified employee requests to fill said vacancy, the assignment shall be based on classification seniority (or in the case of a tie, highest position on the eligible list) provided relative experience and capability in performing the required job functions and relative disruptive effect on the established work schedule are equal as determined by the City.
