## 3 PRESENTATIONS

### 3A. **Colfax High School Project – The Forgotten Unknown Calli Genest – Colfax High School Junior**

Ms. Genest explained her family created 1000 wire flowers to honor the 997 unknown fallen soldiers at Gettysburg. The flowers were placed on the graves of the soldiers in Gettysburg for 6 days and will soon be “planted” permanently at the Auburn Forgotten Soldiers Garden in hopes they will give local veterans encouragement. She wants Council to know that youth is active in the community and hopes to inspire her classmates to participate in government and community events.

Council thanked Ms. Genest for her efforts to remember veterans. Councilmember Douglass recommended she contact him to place the information on the Colfax VFW website.

**3B. Weimar Institute Program – Volunteer Students**

Narlon Edwards – Community Coordinator for the Total Campus Involvement Program

Mr. Edwards shared with Council some of the programs offered at Weimar Institute including academic programs for medical fields, psychology, and business, a clinic open to the community, a depression recovery program, natural health and cooking classes, and even a trail system which the community is welcome to use. The institute trains about 250 students for careers which can help people throughout the world and has recently initiated a program to encourage the students to help closer to home. Through the new Total Community Involvement initiative, Weimar Institute will support students to reach out to Colfax citizens and organizations to offer volunteer help. The students' mission will be to find needs and fix problems. They will focus on helping individual citizens and non-profit organizations.

Council thanked Mr. Edwards for his presentation and expressed enthusiasm for making a connection with the institute and the students.

**Recommendation:** Adopt Resolution 36-2017 certifying compliance with the 2016-2017 Appropriation Limitation and establishing the Appropriation Limitation for the 2017-2018 Fiscal Year.

On a motion by Councilmember Stockwin, seconded by Mayor Pro Tem Hesch, Council unanimously approved the Consent Calendar.

**AYES:** Douglas, Harvey, Hesch, Mendoza, Stockwin

**5 PUBLIC COMMENT**

*Jim Dion, area resident*

- Mr. Dion asked Council to allow him to open his dispensary.

*Foxy McCleary, 127 Saunders Lane*

- Ms. McCleary reminded everyone to support the final art walk which is scheduled for September 15, 2017.

- The VFW will be asking Council for help during the Labor Day Flag Burning Ceremony.

*Danielle Vincent, Proprietor of Outlaw Soaps*

- Ms. Vincent stated she has enjoyed working with City staff and is glad to be part of the community. She would like to see more events downtown and plans to participate.

Councilmember Mendoza recommended she become involved in the Chamber of Commerce.

## 6 **COUNCIL, STAFF, AND OTHER REPORTS**

### 6A. **Committee Reports and Colfax Informational Items – All Councilmembers**

*Councilmember Mendoza*

- Councilmember Mendoza had nothing to report.

*Councilmember Stockwin*

- Councilmember Stockwin stated the Lion's Club Car Show was a great event.
- He gave a report on the Placer County Mosquito and Vector Control Board meeting.
- Councilmember Stockwin will meet with officials from Amtrak next week.
- The Fire Safe Council meeting has been cancelled.

*Councilmember Douglass*

- Councilmember Douglass encouraged everyone to support the VFW at their pancake breakfast the second Sunday of each month.
- He stated the Sierra Vista Community Center is hosting a Craft Fair Harvest Festival in October and they will be fixing the steps at the center soon.
- He represented the City at a SACOG Civics Lab and at a Project Go Board meeting.
- He enjoyed recent Colfax events: the Art Walk, the Car Show and the Sierra Vista Community Center Flea Market.
- He volunteered at the local schools to facilitate students viewing the Eclipse.
- An All Volunteer Meeting is scheduled for next Monday at 6:30.

*Mayor Pro Tem Hesch*

- Mayor Pro Tem Hesch reported from the PCTPA meeting.

*Mayor Harvey*

- Mayor Harvey stated the Car Show and Art Walk were excellent. Next year the Lion's should plan to have more space available for more cars.

### 6B. **City Operations – City Staff**

*Interim City Manager Heathcock*

- Mr. Heathcock informed Council of a permit for filming a portion of a PBS segment featuring the depot and train stop.
- He reminded the Council staff is submitting the application for CMAQ grant funding for the roundabout.
- He handed Council a draft of a flyer to survey business' regarding plans for changing winter storm road closure procedures. He asked Council to read the flyer and give suggestions if they would like to see changes to it.
- Interim City Manager Heathcock stated he has asked Union Pacific to save the molding from the CFGA building when the building is demolished.
- He has spoken with the Lions Club representative and the Car Show may expand next year.

Councilmember Mendoza suggested volunteers from Weimar could help distribute the flyers.

#### 6C. **Additional Reports – Agency Partners**

*Officer Chris Nave, California Highway Patrol Gold Run Area Public Information Officer*

- Officer Nave gave a report of recent CHP occurrences and apologized for missing several meetings while wearing his Little League President and Coaching hats.
- He will be conducting a Teen Distracted Driving Class soon hoping to help teens start good habits early.
- Labor Day weekend will be a maximum enforcement period to keep holiday travelers safe.

Councilmember Mendoza thanked Officer Nave for his volunteer service to Colfax youth.

Interim City Manager Heathcock mentioned residents were appreciative of the extra traffic control provided by CHP and PCSO on the first day of school.

*Frank Klein, President Colfax Area Chamber of Commerce*

- Mr. Klein stated about 40 people attended the August 22, 2017 mixer at Sierra Storage beginning at 5:30PM.
- The next mixer will be held September 5, 2016 at L'Orange.
- He agreed the Car Show was fantastic and the Lions Club did a great job organizing the event.

Mayor Harvey indicated the September 13, 2017 meeting is cancelled because 3 council members will be attending the League of California Cities Annual Conference and there will not be a quorum.

## 7 **COUNCIL BUSINESS**

### 7A. **Goals Update**

**Staff Presentation:** Wes Heathcock, Interim City Manager

**Recommendation:** For information only

Interim City Manager Heathcock reported on the progress staff is making with Council Goals:

- ADA transition plan – Completed.
- Sewer Rate Study – City staff began advertising for a Request for Proposals for firms to conduct the study on August 22, 2017 and should be able to award a contract at the second meeting in October.
- Hotel Abatement – Staff is assessing fees of \$200/day which will be recorded with the county as a lien against the property on a quarterly basis. Hopefully the owner will comply as the fines accumulate.
- Employee Handbook – Completed.
- Pavement Management Plan – In progress, with plans to present at an October meeting.

A resident of Colfax on Scholtz Ave asked if the goals list could be made available to the public. She was informed it is posted online or she can ask for a copy at City Hall.

Council discussed the hotel abatement process and City Attorney Cabral informed the Council they could foreclose on the lien at some point.

Mayor Pro Tem Hesch stated he is impressed with the progress the City is making towards completing the goals.

**7B. Surveying for Pond 3 Slope Damage to Embankment****Staff Presentation:** Dane Schilling, City Engineer**Recommendation:** Adopt Resolution 37-2017 authorizing the Interim City Manager to execute a First Amendment to the Consultant Service Agreement with Coastland Civil Engineering, Inc. to provide survey services for Wastewater Treatment Plant Pond 3 Slope Damage.

Engineer Schilling stated this is a follow-up item to the Geotechnical Contract for assessing the Pond 3 Embankment Slope Damage that was awarded last meeting. The geotechnical company will need a survey of the embankment in order to do a complete assessment. Coastland has contacted a surveying company which will subcontract to provide the correct information for the geotechnical firm. The funding should be reimbursable by the insurance company.

Mayor Harvey cautioned Engineer Schilling to keep the project as small as possible and not let it expand beyond necessary.

Interim City Manager Heathcock explained he has received more information regarding the FEMA program. The City insurance will be billed first for repairs and FEMA funds should be available to pay the deductible and then finance projects which are recommended to prevent damage from occurring in the future.

On a motion by Mayor Pro Tem Hesch, seconded by Councilmember Stockwin, Council adopted **Resolution 37-2017** authorizing the Interim City Manager to execute a First Amendment to the Consultant Service Agreement with Coastland Civil Engineering, Inc. to provide survey services for Wastewater Treatment Plant Pond 3 Slope Damage.

**AYES: Douglass, Harvey, Hesch, Mendoza, Stockwin****8 THE BUSINESS OF THE CITY**

Councilmember Mendoza asked if the City received tax benefits from the dispensary when Mr. Dion's business was operating.

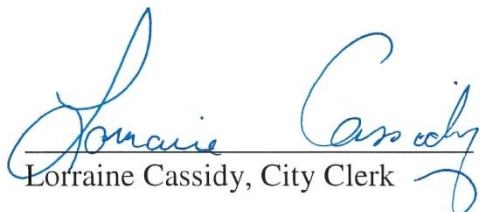

Councilmember Stockwin gave a wildlife report – he has seen many skunks in the neighborhoods – be watchful to avoid startling one.

Councilmember Douglass encouraged everyone to attend a planning meeting on Monday, August 28, 2017 at 6:30PM at the Sierra Vista Community Center to participate in the upcoming Harvest Craft Fair which is slated for October 7.

**9 ADJOURNMENT**

As there was no further business on the agenda, Mayor Harvey adjourned the meeting at 8:07PM.

Respectfully submitted to City Council this 27<sup>th</sup> day of September, 2017

Lorraine Cassidy, City Clerk

# STAFF REPORT TO THE COLFAX CITY COUNCIL

## FOR THE SEPTEMBER 27, 2017 COUNCIL MEETING

**FROM:** Wes Heathcock, Interim City Manager  
**PREPARED BY:** Staff  
**DATE:** September 19, 2017  
**SUBJECT:** Proclamation in support of the Placer County "Out of the Darkness Suicide Prevention Walk" to be held on October 7, 2017.

<input checked="" type="checkbox"/>	N/A	<input type="checkbox"/>	FUNDED	<input type="checkbox"/>	UN-FUNDED	AMOUNT:	FROM FUND:
-------------------------------------	-----	--------------------------	--------	--------------------------	-----------	---------	------------

**RECOMMENDED ACTION:** Adopt Resolution 38-2017 supporting and promoting the Placer County "Out of the Darkness Suicide Prevention Walk" to be held on October 7, 2017."

### BACKGROUND

According to the Centers for Disease Control, suicide is the 10<sup>th</sup> leading cause of death in the United States and the 2<sup>nd</sup> leading cause of death among individuals between the ages of 1 to 44. In the United States, one person completes suicide every 11.89 minutes, resulting in over 44,000 suicides each year and estimates indicate someone attempts to take their life every 29 seconds. Suicide is the only leading cause of death in the US that has increased every year for the past decade.

The California Department of Health reported that in 2014 California experienced 48,516 suicide attempts and 4,119 suicide deaths. During that same year, Placer County experienced over 300 suicide attempts and 180 suicide deaths. The cost to human lives is massive, but the financial impacts are also staggering: California suicides result in an estimated \$4.5 billion in combined lifetime medical and work-loss costs.

Over 90% of the people who die by suicide have a diagnosable and treatable mental health condition, although often that condition is not recognized or treated. The stigma associated with mental health conditions and suicidality works against suicide prevention by discouraging persons at risk for suicide from seeking life-saving help and further traumatizes survivors of suicide loss.

Because suicide is a national and statewide public health problem and suicide prevention is a national and statewide responsibility, Placer County will host an "Out of the Darkness Suicide Prevention Walk" on October 7, 2017.

Staff recommends Council adopt a resolution to proclaim the "Placer County Out of the Darkness Suicide Prevention Walk" as a means for the community to come together to promote hope, help & healing.

#### SUPPORTING AND PROMOTING THE PLACER COUNTY “OUT OF THE DARKNESS SUICIDE PREVENTION WALK” TO BE HELD ON OCTOBER 7, 2017

---

**WHEREAS**, suicide is the 10<sup>th</sup> leading cause of death in the United States and the 2<sup>nd</sup> leading cause of death among individuals between the ages of 1 to 44 (Centers for Disease Control); and,

**WHEREAS**, in the United States, one person completes suicide every 11.89 minutes, resulting in over 44,000 suicides each year (Centers for Disease Control); and,

**WHEREAS**, it is estimated that someone attempts to take their life every 29 seconds resulting in over 1.1 million suicide attempts each year (American Association of Suicidality); and,

**WHEREAS**, suicide is the only leading cause of death in the United States that has increased every year for the past decade; and,

**WHEREAS**, in 2014, California experienced 48,516 suicide attempts and 4,119 suicide deaths (California Department of Public Health); and,

**WHEREAS**, in 2014, Placer County experienced over 300 suicide attempts and 180 suicide deaths (California Department of Public Health); and,

**WHEREAS**, over 90% of the people who die by suicide have a diagnosable and treatable mental health condition, although often that condition is not recognized or treated; and,

**WHEREAS**, California suicides result in an estimated \$4.5 billion in combined lifetime medical and work loss costs (Centers for Disease Control); and,

**WHEREAS**, the stigma associated with mental health conditions and suicidality works against suicide prevention by discouraging persons at risk for suicide from seeking life-saving help and further traumatizes survivors of suicide loss and people with lived experience of suicide; and,

**WHEREAS**, organizations such as The American Foundation for Suicide Prevention envision a world without suicide, and are dedicated to saving lives and bringing hope to those affected by suicide, through research, education, advocacy and resources for those who have lost or struggle, and urge that we:

1. Recognize suicide as a preventable national and state public health problem and declare suicide prevention to be a priority.
2. Acknowledge that no single suicide prevention program or effort will be appropriate for all populations or communities.
3. Encourage initiatives based on the goals contained in the National Strategy for Suicide Prevention and the California Strategic Plan on Suicide Prevention: Every Californian is Part of the Solution.
4. Promote awareness that there is no single cause for suicide, and that suicide most often occurs when stressors exceed current coping abilities of someone suffering from a mental health condition.
5. Develop and implement strategies to increase access to quality mental health, substance abuse, and suicide prevention services.

**NOW THEREFORE, BE IT RESOLVED** the City Council of the City of Colfax is in support of the Placer County “Out of the Darkness Suicide Prevention Walk” as a means for the community to come together to promote “Hope, Help, and Healing.”

# STAFF REPORT TO THE COLFAX CITY COUNCIL

## FOR THE SEPTEMBER 27, 2017 COUNCIL MEETING

**FROM:** Wes Heathcock, Interim City Manager  
**PREPARED BY:** Staff  
**DATE:** September 19, 2017  
**SUBJECT:** Purchase of Hydrovac Vacuum Trailer

	N/A	X	FUNDED		UN-FUNDED	AMOUNT: \$44,625	<b>FROM FUNDS: 250 (Streets &amp; Roads, \$11,150) and 561 (Collections Systems, \$33,469)</b>
--	-----	---	--------	--	-----------	------------------	--

**RECOMMENDED ACTION:** Adopt Resolution 39-2017 approving the purchase of a hydrovac vacuum trailer from RDO Equipment Company in an amount not to exceed \$44,625.

**DISCUSSION AND SUMMARY:**

Over the past two-years, staff has evaluated operational needs to improve the efficiency and cost of infrastructure maintenance and repairs. The Public Works and the Wastewater Treatment Plant crews determined a vacuum excavation system would allow both teams to improve service to the City. This piece of equipment is both a portable vacuum unit for a variety of utility clean-up applications and a powerful “soft” excavating machine for digging precisely controlled excavation. Crews will use the unit to clean up hazmat spills, mop up sewer issues and help with maintenance and repairs of sewer main lines, storm drain clearing and to excavate in areas where precision is required.

Staff solicited several vendors for demonstrations and quotes. RDO Equipment Co., Ditch Witch Equipment Co., Inc., and Global Machinery responded to the City’s solicitation. Two of the competitors provided the City with an opportunity to demonstrate their equipment – RDO Equipment and Ditch Witch Equipment. After Public Works and Wastewater Treatment Plant staff viewed the demonstrations, both crews agreed the RDO Equipment hydrovac system was best suited for the City. The cost breakdown is as follows:

Vendor	Product	Cost
RDO Equipment Co.	Vermeer.	\$42,500
Ditch Witch Equipment Co., Inc.	FX30 Vac System	\$46,009
Global Machinery	Vacmaster	\$49,725

**FINANCIAL AND/OR POLICY IMPLICATIONS:**

Staff recommended including a Hydrovac Vacuum Trailer in the budget. Council approved the vacuum system in the revised FY 2017/18 budget with 25% of the funding from the Streets and Roads fund and 75% from the Collections Systems fund.

The cost of the equipment is \$42,500 with a \$2,125 contingency 5% request totaling \$44,625 from the capital expenditure 250 and 561 funds.

# STAFF REPORT TO THE COLFAX CITY COUNCIL

## FOR THE SEPTEMBER 27, 2017 COUNCIL MEETING

**FROM:** Wes Heathcock, Interim City Manager  
**PREPARED BY:** Lorie Adams, AdamsAshby Consulting  
**DATE:** September 19, 2017  
**SUBJECT:** CDBG Public Hearing

<input type="checkbox"/>	N/A	<input type="checkbox"/>	FUNDED	<input type="checkbox"/>	UN-FUNDED	AMOUNT: \$215,000	FROM FUNDS: 241/244/100
--------------------------	-----	--------------------------	--------	--------------------------	-----------	-------------------	-------------------------

**RECOMMENDED ACTION:** Receive a presentation; conduct a public hearing and Resolution 40-2017 authorizing of use of the Community Development Block Grant Program income funds for a public infrastructure project contingent upon the approval by the State Department of Housing and Community Development Program Income Waiver.

**DISCUSSION AND SUMMARY:**

**PROGRAM INCOME APPROVAL PROCESS:**

The City of Colfax has received Community Development Block Grant (CDBG) awards over the past years and these grants have provided repayment of loans which has developed a CDBG Program Income (PI) account. Per the City contract with the Department of Housing and Community Development, these funds must be used on CDBG eligible activities in a low/moderate income area as defined by the department. Additionally, all expenditures from this account require approval of the City Council after a public hearing has been conducted and subsequent submittal of a PI Waiver request to the department of Housing and Community Development CDBG program for approval.

The City of Colfax census data as a whole does not meet the low/moderate income requirements as defined by the Department. The CDBG program does allow the City to conduct an income survey (down to project area as desired) to update/validate the census data.

**INCOME SURVEY:**

An income survey is required when Census Data (American Community Survey) does not conform to the Census Block or Tract groups as published. The income survey is used to determine if the activity will meet the required national objective for CDBG (51% low/mod). For the project(s) outlined under the Public Infrastructure Activity, the national objective of Low/Mod Area (LMA) would need to be proven through an income survey of the area receiving the public improvements. The CDBG requirement to meet the LMA is 51% of the project area must meet the Low/Moderate Income limits for the County by household size to be eligible as a CDBG project area.

The Survey is conducted in accordance to HUD guidelines using a variety of collection methods; mailed questionnaire, door to door interview, telephone and/or meeting collection. Each method ensures the data collected is submitted anonymously and without tracking the response by address. The sample size is determined by the number of residences in the project area, for example, 63 residences would require a collection sample size of 55 -meaning 55 responses must be obtained to be considered an eligible income survey. Additionally, vacant lots, commercial lots, abandon homes or vacation homes, are not considered as part of the calculation of residences to be surveyed.

Once the survey has collected an adequate number of responses, the data is analyzed to determine Low/Mod Area Benefit and a report is prepared and submitted to CDBG for approval. Once approved the area is eligible for the expenditure of CDBG funds.

#### PROJECT REVIEW:

The City has reviewed potential projects that are being proposed as follows:

Project 1: Culver Street from W. Oak Street to Newman Street. The scope of the work includes; engineering design, full reconstruction of up to 700 linear feet of Culver Street, adjusting utilities to grade, and construction management and inspection. The project will enhance vehicle safety, maintain the City's roadway infrastructure and substantially reduce the maintenance effort to keep the street from further degradation. This project will require approximately \$215,000 to bring the pavement to new condition. The project limits may be adjusted depending on available funding and construction costs at the time of bidding.

Project 2: Pleasant Street from Depot Street to Easy Street. The scope of the work includes: engineering design, full reconstruction of up to 700 linear feet of Pleasant Street, adjusting utilities to grade and construction management and inspection. The project will enhance vehicle safety, maintain the City's roadway infrastructure and substantially reduce the maintenance effort to keep the street from further degradation. This project will require approximately \$208,000 to bring the pavement to new condition. The project limits may be adjusted depending on available funding and construction costs at the time of bidding

Project 3: W. Oak Street from Culver Street to End of Street. The scope of the work includes: engineering design, full reconstruction of up to 700 linear feet of W. Oak Street, adjusting utilities to grade and construction management and inspection. The project will enhance vehicle safety, maintain the City's roadway infrastructure and substantially reduce the maintenance effort to keep the street from further degradation. This project will require approximately \$211,000 to bring the pavement to new condition. The project limits may be adjusted depending on available funding and construction costs at the time of bidding

The projects are being presented to the Council for consideration and prioritization. The staff will address the projects in order of priority as established by the City Council and begin the process of conducting an income survey as required to determine if the project will meet the required Low/Mod designation prior to completing the PI Waiver form for approval from the CDBG Department. If the Council's highest priority project fails to meet the required designation, staff will move to the next project and so on. If all projects fail to meet the required Low/Mod designation, staff will return to the City Council with additional alternatives for the funding.

The projects outlined are Public Infrastructure Improvements and are an eligible activity under Matrix Code 03K Street Improvements.

**FISCAL IMPACT**

There is no fiscal impact to the City General Fund from the project construction costs but costs of the income survey will be incurred and will be funded by the General Fund. The City has contracted with Adams Ashby Group, Inc. to assist in the development of the income survey methodology development, forms, data analysis, and report development and the city staff will coordinate the data collection process. We do not anticipate the cost of the survey to exceed \$2,000.

Adoption of the recommended action will result in a reduction in the City of Colfax available CDBG Program Income in the amount of \$205,000. The current Program Income balance as of 6/30/2017 is \$205,000.

The projects will be funded as follows:

Public Infrastructure Improvements	\$183,000
Activity Delivery	<u>\$ 22,000</u>
Total Project	\$215,000
Program Income Expenditure Total (Fund 241/244)	\$205,000
General Fund	<u>\$ 10,000</u>
Total Funding	\$215,000

**ALTERNATIVES**

Council may choose not approve the expenditure of funds at this time; select a different project that is eligible; and/or continue discussion.

### AUTHORIZING THE USE OF COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM INCOME FUNDS FOR A PUBLIC INFRASTRUCTURE PROJECT CONTINGENT UPON THE APPROVAL BY THE STATE DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT PROGRAM INCOME WAIVER

---

**WHEREAS**, the City of Colfax has received Community Development Block Grant (CDBG) payments, known as Program Income, from past activities; and

**WHEREAS**, on April 28, 2010 the State Department of Housing and Community Development adopted a policy whereby a waiver could be requested to allow the use of CDBG Program Income for any activity otherwise eligible for CDBG funding; and

**WHEREAS**, the City has funding available in the Program Income Account; and

**WHEREAS**, the City has directed staff to conduct the required income survey(s) to ensure the identified activities support and serve low-income individuals in the community and meet the required national objectives as outlined by Federal law; and

**WHEREAS**, on September 27, 2017 the City Council conducted a duly noticed public hearing to discuss the use of CDBG Program Income funds to fulfill the expenditure of the funds available;

**NOW, THEREFORE, BE IT RESOLVED** that the City Council of the City of Colfax, approves the expenditure of CDBG Program Income, contingent on a completed and accepted income survey and the approval of the waiver or waivers from the State Department of Housing and Community Development, for the following activities including activity delivery in order of priority until funds are exhausted:

1. Culver Street Full Reconstruction Project, from W. Oak Street to Newman Street.
2. Pleasant Street Full Reconstruction Project, from Depot Street to Easy Street.
3. W. Oak Street Full Reconstruction Project, from Culver Street to W. End.

**BE IT FURTHER RESOLVED AND ORDERED** that the City Manager may execute, sign, and submit all required contracts, financial forms or other required documents for the project on behalf of the City for the above projects as implemented.

# STAFF REPORT TO THE COLFAX CITY COUNCIL

## FOR THE SEPTEMBER 27, 2017 COUNCIL MEETING

**FROM:** Wes Heathcock, Interim City Manager  
**PREPARED BY:** Laurie Van Groningen, Finance Director  
**DATE:** September 18, 2017  
**SUBJECT:** Volunteer Fire Department Emergency Response Vehicle (Squad 36) Replacement

<input type="checkbox"/>	N/A	<input checked="" type="checkbox"/>	FUNDED	<input type="checkbox"/>	UN-FUNDED	AMOUNT:	<b>FROM FUND:</b> 292 Fire capital 100 General (Loan)
--------------------------	-----	-------------------------------------	--------	--------------------------	-----------	---------	--

**RECOMMENDED ACTION:** Adopt Resolution 41-2017 authorizing the expenditure of \$92,600 from Fund 292 and an inter-fund loan from Fund 100 of \$30,000 pending receipt of the 2017 Strike team revenues to finalize purchase of the rescue squad vehicle.

**SUMMARY:**

Colfax City Council authorized the City Manager to enter into a lease purchase agreement with Burton-Rosenbauer Fire Equipment for an emergency response vehicle (Rescue Squad 36) in October 2016 – Resolution No 44-2016.

The vehicle is now in the final stages of the build/manufacture process, and Cal Fire Battalion Chief, Landon Haack and Volunteer Department Fire Captain Sean Lomen are traveling this week to inspect the vehicle at the manufacture site. Delivery is anticipated by mid-October and final payment is due upon delivery.

**BACKGROUND AND ANALYSIS:**

The purchase was approved to be paid from Fund 292 – Fire Capital. This fund balance is generated by Strike team revenues for use of City equipment. At the time of original approval, the Fund balance would not cover the full purchase price, therefore a lease purchase agreement was anticipated with the expectation that future Fire Department revenues would cover payments over time. At the time of review, a preliminary quote for a 10-year agreement was provided as backup documentation. Staff has obtained final quotes from three financing organizations recommended by our Broker with 5, 7, and 10 year options – a summary is provided as backup to this report.

Since the approval in October of 2016 the City has approved two change orders, adjusted the sales tax estimate to Colfax rate of 7.25% (originally estimated at 8.75%) and made a down payment for the Chassis (upon delivery to Rosenbauer) which provided a pre-payment discount. The final price as compared to the original estimated contract is reflected in the table below:

	<b>Original Estimate</b>	<b>Final Price</b>
Mini Rescue Apparatus and chassis	\$ 158,617.00	\$ 158,617.00
Change Order #1	\$ -	\$ 1,720.00
Change Order #2	\$ -	\$ 4,020.00
Sub-total	<b>\$ 158,617.00</b>	<b>\$ 164,357.00</b>
Sales Tax	\$ 11,896.00	\$ 11,915.88
Delivery	\$ 3,773.00	\$ 3,773.00
<b>Total Price</b>	<b>\$ 174,286.00</b>	<b>\$ 180,045.88</b>
Chassis payment	\$ (55,443.96)	\$ (55,443.96)
Pre-pay Discount (Chassis)	\$ (2,068.00)	\$ (2,068.00)
<b>Final Amount Due</b>	<b>\$ 116,774.04</b>	<b>\$ 122,533.92</b>

The current balance in the Fund 292 – Fire Capital is approximately \$92,600. In addition, we currently have two outstanding receivables for 2017 Strike Team activity for approximately \$29,900. Upon receipt, the balance will nearly equal the amount due on this transaction. The current year approved budget projected up to \$36,000 in annual payment with a remaining fund balance reserved for future year payments.

**CONCLUSION:**

Staff recommends that the City does not enter into a financing agreement with an outside party for this transaction as it is more financially prudent for the City to pay off the debt at time of delivery. The interest cost of outside financing is about 3%. The City is currently earning approximately 1% in the investment in LAIF funds. It is staff’s recommendation that we utilize current available Fund 292 funds and an inter-fund loan from the General Fund pending receipt of the 2017 Strike team revenues. Interest on the inter-fund loan would be calculated at the same rate as our LAIF investment earnings and the interest expense to the Fire Capital fund would be very minimal.

**FISCAL IMPACT:**

Fund 292	\$ 92,600.00
Fund 100 (Inter-fund loan)	<u>30,000.00*</u>
Total (Rounded)	\$123,600.00

\*City staff has met with USDA to discuss possible grant funding under their Community Facility funding program. We will begin the pre-application process – there is a six month window for funding from date of final purchase.

# STAFF REPORT TO THE COLFAX CITY COUNCIL

## FOR THE SEPTEMBER 27, 2017 COUNCIL MEETING

**FROM:** Wes Heathcock, Interim City Manager  
**PREPARED BY:** Dane Schilling, City Engineer, Lorenzo Hernandez, Junior Engineer  
**DATE:** September 20, 2017  
**SUBJECT:** Project List for Road Repair – SB-1 Funding

<input checked="" type="checkbox"/> X	N/A	<input type="checkbox"/>	FUNDED	<input type="checkbox"/>	UN-FUNDED	AMOUNT:	FROM FUND:
---------------------------------------	-----	--------------------------	--------	--------------------------	-----------	---------	------------

**RECOMMENDED ACTION:** Adopt Resolution 42-2017 authorizing the City Manager to amend the Fiscal Year 2017-2018 Budget to designate and appropriate SB-1 funding for Fiscal Year 2017-2018 to the Rising Sun Road Pavement Resurfacing Project and thus ensure eligibility for State of California Road Maintenance and Rehabilitation Account (RMRA) revenues.

**SUMMARY:**

State Senate Bill (SB-1), also known as the Road Repair and Accountability Act (RMRA) of 2017, was signed into a law by Governor Brown on April 28, 2017. SB-1 establishes funding to address deferred maintenance on the state highway system and local street and road systems. The bill provides that funds shall be used for: Road Maintenance and Rehabilitation, Safety Projects, Railroad Grade Separations, Complete Street Components or, Traffic Control Devices.

The City is expected to receive about \$ 11,600 of SB-1 funds in Fiscal Year 2017-2018, which is a partial funding year. SB-1 revenues should stabilize and increase in subsequent years.

SB-1 requires that all projects proposing to use SB-1 funds are named in the budget and acknowledged by resolution to be considered for funding. Rising Sun Road Pavement Resurfacing Project, from Ben Taylor Road to Grass Valley Street, has been identified to be designated for SB-1 funding in Fiscal Year 2017-2018. The cost to rehabilitate this road is approximately \$216,000. All SB-1 funding for this year will be added to other funding sources for this project. The project is intended to improve and maintain the quality of the roadway and ensure that the City’s local roadway network continues to meet the needs of the community.

**FISCAL IMPACT:**

There is not a direct fiscal impact, since the SB-1 funding was already anticipated in the Gas Tax revenues. Projects funded from SB-1 in the future fiscal years will be recognized and appropriated as part of future budgets. Staff will continue to pursue grant opportunities as well.

# City of Colfax

## City Council

### Resolution № 42-2017

**AUTHORIZING THE CITY MANAGER TO AMEND THE FISCAL YEAR 2017-2018 BUDGET TO DESIGNATE AND APPROPRIATE FUNDING FROM THE ROAD REPAIR AND ACCOUNTABILITY ACT (SB-1) FOR FISCAL YEAR 2017-2018 TO THE RISING SUN ROAD PAVEMENT RESURFACING PROJECT.**

---

**WHEREAS**, Senate Bill 1 (SB-1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was signed into law by the Governor on April 28, 2017 to address the significant multi-modal transportation funding shortfall statewide; and

**WHEREAS**, SB-1 includes accountability and transparency provisions that will ensure the residents of the City are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and,

**WHEREAS**, the City must include a list of all projects proposed to receive funding for the Road Maintenance and Rehabilitation Account (RMRA), created by SB-1, in the City budget which must include a description and the location of each proposed project, a proposed schedule for the project's completion and the estimated useful life of the improvement; and,

**WHEREAS**, the City will receive an estimated \$11,600 in RMRA funding in Fiscal Year 2017-2018 (FY 2017-18); and,

**WHEREAS**, the City has identified resurfacing of Rising Sun Road from Ben Taylor Road to Grass Valley Street, which is already included in the FY 2017-18 Budget, as a project for applying FY 2017-18 SB-1 revenues;

**NOW, THEREFORE, BE IT RESOLVED**, that the City Council of the City of Colfax authorizes the City Manager to amend the FY 2017-18 Budget to appropriate SB-1 funds for the Rising Sun Road Pavement Resurfacing Project. The estimated useful life-time of the project is 10-15 years and the anticipated year of construction is summer of 2018.

**THE FOREGOING RESOLUTION WAS DULY AND REGULARLY ADOPTED** at the Regular Meeting of the City Council of the City of Colfax held on the 27<sup>th</sup> day of September 2017 by the following vote of the Council:
