2 ACTION ITEMS

- 2A. **Reject all bids for the Grass Valley Street Utility Undergrounding Project and cancel project**

STAFF PRESENTATION: Jim Fletter, Assistant City Engineer

RECOMMENDATION: 1) Adopt Resolution 18-2015 Rejecting all bids for the Grass Valley Street Utility Undergrounding Project No. 14-01 and authorize the City Clerk to return bid securities to bidders; 2) Receive accounting of funds expended to date on the project.

Assistant City Engineer Fletter explained that the City received good construction bids for the Utility Undergrounding Project. After bids were opened, PG&E revised their cost estimate to a final budget. Wave Cable and Verizon had originally agreed to be part of the project, but when the final costs were given, both declined to support the project. If the Project is built without Wave Cable and Verizon, the City would expend \$100,000. Staff recommends canceling the project at this time due to the high expense. Council asked if the design was completed without approval of all of the utilities and if the \$35,000 investment in design will be recouped in the future should the project be approved at a later date. City Manager Miller replied that the utilities had given approval of the design but do not want to pay the costs of the trench. The project is fully designed so the plans can be used at a future date. There were no comments from the public.

On a motion by Councilmember Delfino, seconded by Mayor Pro Tem Parnham the City Council adopted Resolution 18-2015 rejecting all bids for the Grass Valley Street Utility Undergrounding Project.

2B. Reject bid and authorize staff to re-bid, for the UPRR Ped Xing and Bike Path Improvement Project, Federal Project No. STPL – 5187(007)

STAFF PRESENTATION: Jim Fletter, Assistant City Engineer

RECOMMENDATION: 1) Reject the bid received for the UPRR Ped Xing and Bike Path Improvement Project No. 12-01.02; 2) authorize the City Clerk to return the bid security; and 3) authorize staff to re-advertise for bids.

Assistant City Engineer Jim Fletter stated that only one bid came in for the project at \$346,000, about \$100,000 higher than the engineer's estimate of \$210,000. He subsequently received information from contractors that they would enter a bid if the City re-advertised for bids. Council discussed the item, expressing consternation that the project has been in the planning phase for several years and concern that only one company put in a bid. City Engineer Alan Mitchell explained that the project is complicated. Environmental and safety requirements from the Railroad, the State and the Federal government have all created delays. Some companies did not bid for the project due to the high cost of obtaining insurance for a project involving railroad property. City Manager Miller stated that the Union Pacific Railroad has a source of pooled insurance which will lower the cost for potential bidders. The engineers asserted that new bids could be opened within twenty-one days. Members of the public inquired how this has impacted the City budget and if the potential Quiet Zone has been affected. The project is funded through grants not by general City funds and the Quiet Zone is still possible

On a motion by Councilmember Delfino, seconded by Mayor Pro Tem Parnham the City Council rejected the bid and authorized staff to re-bid the UPRR Ped Xing and Bike Path Improvement Project, Federal Project No. STPL_5187(007)

AYES: Delfino, Douglass, Harvey, Parnham

4 COUNCIL, STAFF AND OTHER REPORTS

4A. Committee Reports and Informational Items – All Council Members

Mayor Douglass

- Project Go is considering purchasing 70 copies of HMIS software to create a common database for the local agencies which offer services to the homeless. Over 200 agencies and organizations provide services and there is currently no method of communicating among them.

Councilmember Harvey

- Commented that with the Wastewater Treatment Plant configured for maintenance and low flow, it would be an ideal time to hire a new operator. He inquired when Staff would begin the recruitment for the new operator. City Manager Miller responded that the current contractor is over budget but cost effective. The Public Works Department employees have passed Operator 1 and Operator 2 certificates, respectively. Staff will begin the recruitment process soon.

Councilmember Parnham

- Attended the Mosquito Abatement meeting with nothing to report pertaining to Colfax.
- The Memorial Day Service held at the Cemetery was a nice event.

Councilmember Delfino

- WACMAC was cancelled so there is nothing to report.

- CHP is planning to hold Coffee-with-a-Cop events at Starbucks soon. He will inform Council when details are available.

Mayor Pro Tem Parnham asked if the increase of wrong-way drivers on the freeway were a result of confusion due to road construction. Officer Nave replied that the statistics show that 61% are a result of DUI and most of the remainder are disoriented Senior Citizens – there is no proven correlation between wrong-way drivers and road construction.

Frank Klein, Colfax Chamber of Commerce President

- The next Chamber Mixer will be at Sierra Self Storage on June 25th from 5:30PM-7:30PM.
- The Chamber is working on the July 3 application and may possibly have a fundraising event on June 13th.

5 PUBLIC COMMENT

- She inquired how the recruitment for the office administrative assistant position was going.

Jeannie Claxton, 285 Alpine Way:

- Suggested that Council and the Chamber work together to create a list of businesses which could be given to passengers waiting for the train in order to draw people across the tracks and into downtown businesses.
- She also suggested that the City encourage the organizers of the Century Bike ride to route the ride through Colfax.

Tim Ryan, 300 S Main Street:

- He was impressed with the potential City Hall makeover and encouraged Council to improve the building's façade to continue the momentum from the workshop.
- Commented that the flags flying in downtown on Memorial Day looked great.

6 PUBLIC HEARING

6A. Introduction and First Reading of Ordinance No. 526: An Ordinance Of The City Of Colfax Authorizing Collection Of Delinquent Sewer Service Charges On The Placer County Secured Tax Roll For Fiscal Year 2015-2016

STAFF PRESENTATION: Laurie Van Groningen, Finance Director

RECOMMENDED ACTION: Introduce the proposed Ordinance by title only, conduct a Public Hearing and thereafter by Motion waive the first reading and Continue for Second Reading and Adoption at the June 10th Regularly Scheduled Council Meeting to be effective 30 days thereafter.

City Manager Miller stated that the hearing for delinquent Recology accounts was held at City Hall during regular business hours. No one came to speak at the hearing.

Finance Director Laurie Van Groningen stated that this hearing is part of the normal annual process established to place delinquent sewer accounts on the property tax rolls. The hearing has been properly noticed and property owners have been notified by mail. Councilmember Harvey asked why some of the delinquent accounts were unsecured. City Attorney Cabral explained that these accounts were for the buildings on railroad land. There is a different process to place these on the tax rolls.

On a motion by Councilmember Delfino, seconded by Mayor Pro Tem Parnham the City Council approved the Introduction and First Reading of Ordinance No. 526 by title only and continued the Hearing for the Second Reading at the June 10, 2015 Regularly Scheduled Meeting.

7 COUNCIL BUSINESS**7A. Animal Control Contract Renewal****STAFF PRESENTATION:** Mark Miller, City Manager**RECOMMENDATION:** Approve and Adopt Resolution 20-2015: Authorizing the City Manager to execute an agreement with Placer County Department of Health and Human Services for Animal Control and Care Services from July 1, 2015-June 30, 2017.

City Manager Miller stated that the City has contracted with Placer County for Animal Control services for many years. The County provides a variety of services, dealing with encroachments of wild animals and barking dogs. The County also houses animals that are displaced due to disasters. The price has been reduced slightly from last year's contract. He gave each Councilmember a packet of statistics regarding animal control. Councilmember Delfino expressed concern that the wording of the contract for the second year allowed for an adjustment in price without giving a definite amount. City Manager Miller explained that adjustments are generally due to salary changes and none are anticipated soon. The contract can be canceled at any time with thirty days' notice.

On a motion by Mayor Pro Tem Parnham, seconded by Mayor Douglass the City Council adopted Resolution 20-2015.

AYES: Douglass, Parnham
 NOES: Delfino
 ABSTAIN: Harvey
 ABSENT: Hesch

Councilmember Delfino thanked City Manager Miller for providing the detail statistics for Council.

7B. Greater Sacramento Area Economic Council**STAFF PRESENTATION:** Mark Miller, City Manager**RECOMMENDATION:** Discuss the benefits and costs of becoming a member community of the Greater Sacramento Economic Council and direct Staff accordingly.

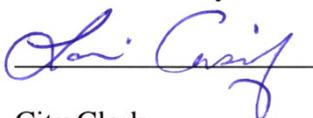

City Manager Miller stated that this is brought before Council at the request of the organization. He is not advocating that the City become a member of the Economic Council at the cost of \$800/year. Council agreed that the City should decline the offer to join.

8 ADJOURNMENT

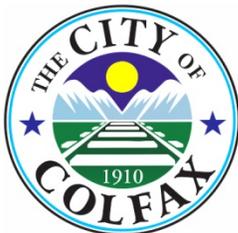

Councilmember Delfino moved and Mayor Pro Tem Parnham seconded the motion to adjourn the meeting. Mayor Douglass adjourned the meeting at 8:21 PM.

Respectfully submitted to City Council this 10th day of June 2015.

STAFF REPORT TO THE COLFAX CITY COUNCIL

FOR THE JUNE 10, 2015 COUNCIL MEETING

FROM: Mark Miller, City Manager

PREPARED BY: Laurie Van Groningen, Finance Director

DATE: June 4, 2015

SUBJECT: Delinquent Garbage Collection: Confirming the Report Of Delinquent Waste Collection Accounts And Placing Liens On Said Properties And Special Assessments Upon Property Taxes Pursuant To City Of Colfax Municipal Code Section 8.20.130.

<input checked="" type="checkbox"/>	N/A	<input type="checkbox"/>	FUNDED	<input type="checkbox"/>	UN-FUNDED	AMOUNT:	FROM FUND:
-------------------------------------	-----	--------------------------	--------	--------------------------	-----------	---------	------------

RECOMMENDED ACTION: Adopt Resolution 21-2015.

SUMMARY:

Required approvals and documentation for annual process of placing liens upon property taxes for delinquent waste collections accounts.

FISCAL IMPACT:

The recommended action does not expose the City to liability to Recology. Amounts collected by the County and remitted to the City will be paid to Recology to satisfy the amounts owed. The City does not become liable to remit any funds to Recology until the County disburses collected funds to the City.

BACKGROUND AND ANALYSIS:

Subscription to and payment for refuse collection service in Colfax is mandatory. The Council adopted Ordinance 517 amending Colfax Municipal Code (the "Code") Section 8.20.130 to allow delinquent accounts for refuse service to be collected on the County tax rolls at the same time as ad valorem property taxes.

There are approximately 23 delinquent accounts that remain unpaid. A written report containing a description of each parcel of real property for which there is a delinquent refuse service charge and the amount of each charge has been prepared and filed with the City Clerk in accordance with the Code and is attached.

On May 27, 2015, the City held a hearing to consider all protests or objections to the written report. The owner of each property listed in the report was provided at least 10 days written notice (copy of letter sent by Recology attached to this report) of the date, time and place of the hearing. Having conducted the required hearing, staff recommends that the Council adopt the written report as presented.

If the Council confirms the report as recommended, the City Clerk will file it with the County Auditor-Controller and the charges reflected in the final report will be collected at the same time as ad valorem property taxes. This will include collection of City administrative charges and a rate of 1% payable to the County to offset the cost of their administrative services.

City agrees that, in the event a judgment is entered in a court of law against any of the Indemnified Parties as a result of the collection of one of City's taxes, assessments, fees and/or charges, the County may offset the amount of the judgment from any other monies collected by County on behalf of City, including property taxes.

Currently, the account for solid waste collection services for this property is past due in the amount of \$____. As the owner of record of this property, you are responsible for the payment of all charges for solid waste collection.

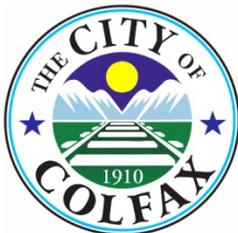

We understand that problems occasionally arise that make timely payment difficult. We would, therefore, be interested in working with you to clear the unpaid balance. Please call us to make payment arrangements if you are unable to remit the full amount due.

We are entitled to lien your property if you do not make arrangements to pay this account in full. You are entitled to be present at that hearing and present any objections or protests that you have to the report and the delinquent charges sought to be imposed on your property. You may also submit any objections or protests in writing in advance of the hearing.

Please contact our office at (530) 885-3735 so we can help get this matter settled.

RECOMMENDED ACTION: Consider Public and Staff Comments and Adopt Ordinance No. 526 and Waive Reading of the Entire Ordinance and Read by Title Only; to become effective in 30 days. Adopt Resolution 22-2015

SUMMARY:

Colfax Municipal Code (the "Code") Title 13, Chapter 13.08, Article VI authorizes the City to collect delinquent sewer charges on the secured tax roll at the same time as general property taxes. The Code requires the City Council to adopt an Ordinance by a two-thirds vote in order to collect the delinquent charges on the tax roll.

There are approximately 73 delinquent sewer service charge accounts that remain unpaid. A written report containing a description of each parcel of real property for which there is a delinquent sewer service charge and the amount of each charge has been filed with the City Clerk and is attached. All charges reflected in the written report have been computed in conformity with Title 13, Chapter 13.08, Article III of the Code.

A public hearing is required before the proposed Ordinance can be adopted. Notice of the Public Hearing regarding the delinquent accounts was published in the Colfax Record once each week for two successive weeks prior to the hearing. A copy of the delinquent accounts report is on file at City Hall. All property owners with a delinquent balance were notified in writing of the public hearing process.

The purpose of the hearing is to allow the Council to hear objections and protests to the report. At the conclusion of the hearing, the Council may adopt, revise, change, reduce or modify any sewer service charge in the report, sustain or overrule any objections to the report and adopt or decline to adopt the report as modified. If the report is adopted with or without modification, the City Clerk will file it with the County Auditor-Controller and the charges reflected in the final report will be collected at the same time as ad valorem property taxes.

FISCAL IMPACT:

As indicated on the attached report, there are \$68,111.17 delinquent Sewer charges due to the City as of May 20, 2015.

BACKGROUND AND ANALYSIS:

Placer County requires a resolution containing specific provisions to be adopted in order to collect the delinquent charges on the tax roll. The Colfax Code requires an ordinance.

CONCLUSION:

This process is cumbersome but essential to properly collecting delinquent sewer service charges on the tax roll.

F. The County has required as a condition of the collection of said charges that the City warrant the legality of said charges and defend and indemnify the County from any challenge to the legality thereof.

Ordinance

1. The foregoing recitals are true and correct statements of fact and are hereby incorporated into this Ordinance.

Resolution № 22-2015

REQUESTING COLLECTION OF SEWER SERVICE CHARGES ON THE PLACER COUNTY TAX ROLL FOR TAX YEAR 2015-2016

Whereas, Colfax Municipal Code Title 13, Chapter 13.08, Article VI authorizes the City of Colfax (“City”) to collect delinquent sewer services charges which have accrued on the secured and unsecured tax roll in the same manner and at the same time as general property taxes; and

Whereas, a written report attached as Exhibit A to this Resolution (the “Report”) containing a description of each parcel of real property receiving sewer services and the amount of delinquent charges for each parcel has been prepared and filed with the City Clerk in accordance with Colfax Municipal Code §13.08.320; and

Whereas, notice of the filing of the Report and notice of the time and place of the hearing thereon by the City Council has been duly given and published as required by Colfax Municipal Code §13.08.330; and

Whereas, at the May 27, 2015 hearing the City Council heard and considered all objections and protests to the Report and determined that protests were not made by the owners of a majority of the separate parcels of property described in the Report; and

Whereas, at the conclusion of the hearing, after incorporating all revisions to the Report that the Council deemed necessary and after addressing or overruling all objections to the Report the Council found and determined that each charge as described in the Report is due, owing and unpaid; and

Whereas, the County has required as a condition of the collection of said charges that the City warrant the legality of said charges and defend and indemnify the County from any challenge to the legality thereof,

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Colfax as follows:

1. The foregoing recitals are true and correct statements of fact and are hereby incorporated into this Resolution.

2. The Report attached as Exhibit A hereto is adopted and said adoption is final. The City Clerk is hereby directed to file with the Placer County Auditor-Controller a copy of this Resolution and the Report.

3. The Auditor-Controller of Placer County is requested to attach for collection on the County tax rolls those taxes, assessments, fees and/or charges, listed on the Report attached as Exhibit A attached hereto.

4. The City warrants and represents that the taxes, assessments, fees and/or charges imposed by the City and being requested to be collected by Placer County comply with all requirements of state law, including but not limited to Articles XIIC and XIID of the California Constitution (Proposition 218).

5. The City releases and discharges County, and its officers, agents and employees from any and all claims, demands, liabilities, costs and expenses, damages, causes of action, and judgments, in any manner arising out of the collection by County on the property tax roll of any taxes, assessments, fees and/or charges on behalf of City.

6. In consideration for the County’s collection of the charge through the County’s property tax roll, the City agrees to and shall defend, indemnify and hold harmless the County, its officers, agents and employees (the “Indemnified Parties”) from any and all claims, demands, liabilities, costs and expenses, damages, causes of action, and judgments, in any manner arising out of the collection by County of any of City’s said taxes, assessments, fees and/or charges requested to be collected by County for the City, or in any manner arising out of City’s establishment and imposition of said taxes, assessments, fees and/or charges. City agrees that, in the event a judgment is entered in a court of law against any of the Indemnified Parties as a result of the collection of one of City’s taxes, assessments, fees and/or charges, the County may offset the amount of the judgment from any other monies collected by County on behalf of City, including property taxes.

7. The City agrees that its officers, agents and employees will cooperate with the County by responding to all inquiries referred to City by County from any person concerning the City’s taxes, assessments, fees and/or charges, and that City will not refer such persons to County officers and employees for response.

8. The City agrees to pay the County for the reasonable and ordinary charges to recoup its costs of placement and collection on the tax rolls at the agreed upon rate of 1% of the taxes, assessments, fees and/or charges, as provided by Government Code sections 29304 and 51800.

City of Colfax
Sales Tax Analysis – Fiscal Year 2015-2016 Budget Update June 2015

Revenue from Sales and Use taxes is approximately 59% of the overall General Fund Revenue (discretionary revenue) Budget for FY2014-2015. As reported in the Mid-Year Budget review in March, this percentage is higher than the average for most California Cities and indicates a high dependency on sales tax revenue for our City. Because this level of dependency is very difficult to estimate, it is financially prudent for the City to monitor sales tax revenues very closely.

FISCAL YEAR 2014-2015 ANALYSIS:

We have updated the attached sales tax analysis report through May 2015. This update includes all allocations from the State and County through March 2015. The City receives estimated advance payments approximately two months in arrears from the State and a true-up for each quarter approximately 90 days after quarter end. Allocations from the County for the “Triple Flip” (Sales tax for Property Tax Swap – Proposition 57) are received in January and May each year and are based on current year estimates provided by the Board of Equalization and adjusted for true-ups in previous years.

The adopted budget for fiscal year 2014-2015 reflected an approximately 25% decrease over the previous year. With receipts for just half of the year recorded thus far, we have already received over 100% of the annual budget. The increase is primarily due to increase in the portion of the sales tax received from the “Triple Flip”. The “Triple Flip” includes advances for the current year and true-up adjustments from the previous year – and is therefore not actually reflective of current year activity.

CALIFORNIA SALES AND USE TAX - (Information derived from The California Municipal Revenue Sources Handbook 2014 edition)

California sales and use tax is the familiar tax that retailers add on to the price of most goods sold in California. A portion of the tax is a state tax and a portion is locally imposed. The State of California Legislature passed the Bradley-Burns Local Sales and Use Tax Law in 1955. As part of this law, a City may participate by imposing a sales and use tax rate of up to 1 percent. The basic 1 percent Bradley-Burns rate for Cities is a general tax and must be received in the General Fund.

Components of the California Sales and Use Tax	
State General Fund	3.94%
State General Fund Propsoition 30	0.25%
Counties for Health and Welfare	0.50%
Counties for Corrections	1.06%
Counties and Cities Public Safety Prop 172	0.50%
County Transportation Fund	0.25%
City/County General Fund (Bradley-Burns)	1.00%
Total Statewide base rate	7.50%
Local Transactions and Use Taxes (described below)	Up to 2% Combined
Total Sales and Use Tax Rate	from 7.5% to 10.0%

Under California law, Local Transaction and Use Taxes may be approved locally and added to the combined state and local sales and use tax rate. Locally enacted transactions and use taxes may be levied as general taxes (unrestricted) or special taxes (restricted for a specific use). Senate Bill 566 which was made effective January 1, 2004, gave every county and every city the ability to seek voter approval of a local transaction and use tax increase under certain conditions. Those conditions (with amendments enacted since that time) are:

1. The transactions and use tax may be imposed at a rate of 0.125 percent or a multiple thereof;
2. The ordinance proposing the tax must be approved by a two-thirds vote of all members of the governing body;
3. If for general purposes, the tax must be approved by a majority vote of the voters in the city or county;
4. If for specific purposes, the tax must be approved by a two-thirds vote of the voters in the city or county; and
5. In most counties, the maximum combined (city and county) rate of transactions and use taxes in any location may not exceed 2 percent.

Altogether, as of October 2013, there are 117 cities (not including the city and county of San Francisco) with voter approved transactions and use tax rates. Additionally, there are 48 county or special district rates in 28 counties.

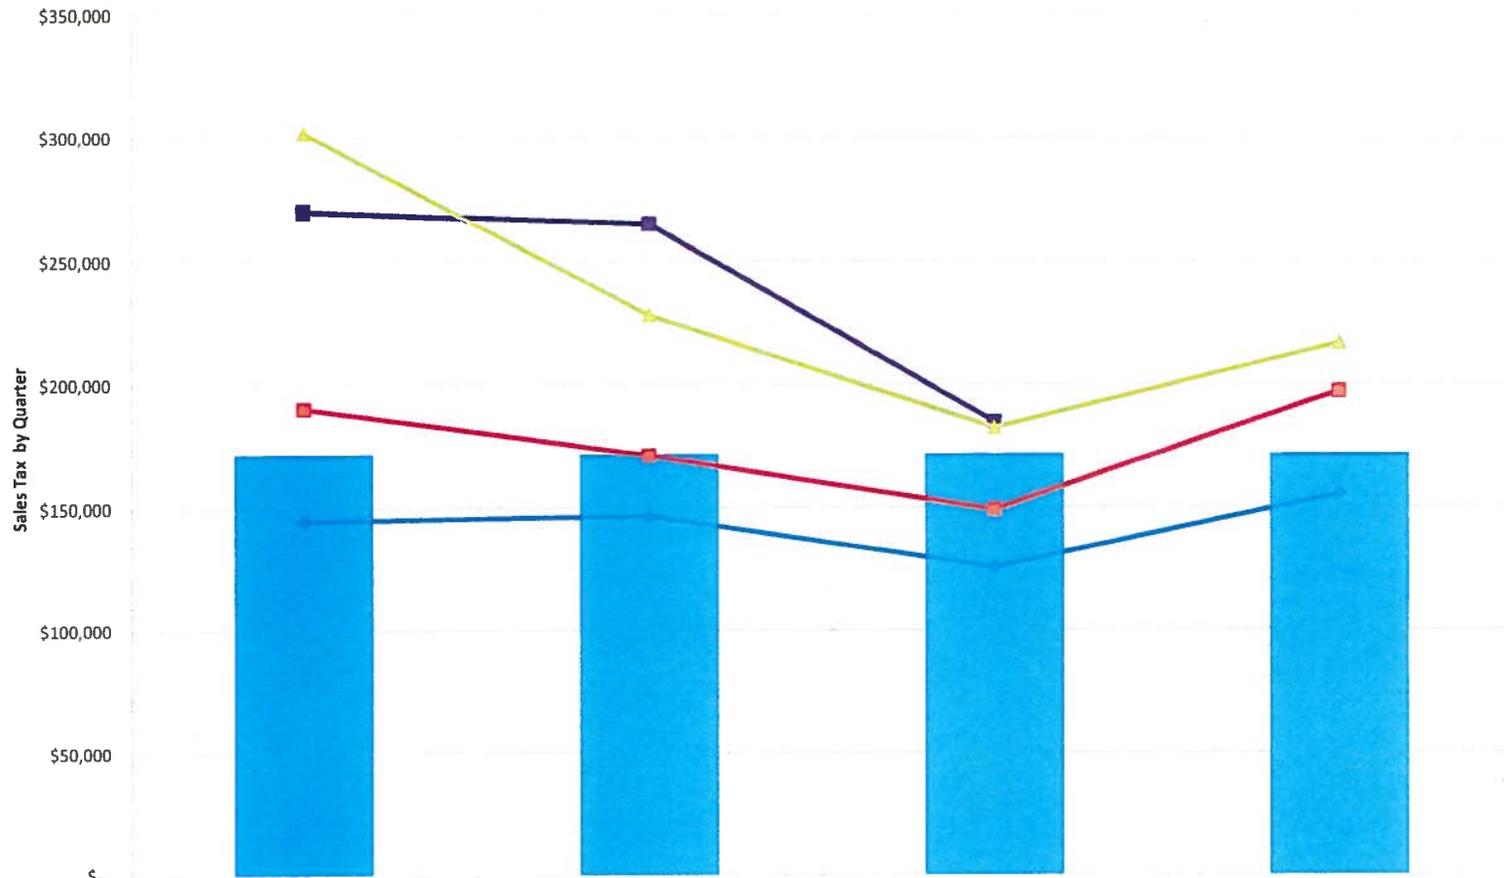

FISCAL YEAR 2015-2016 BUDGET:

The fiscal year 2015-2016 budget was conservatively developed consistent with actual revenues from previous years and current market information. Based on current year actuals and estimates provided by the Department of Finance (State Board of Equalization) we would expect sales tax revenues to be slightly higher than the current year with the exception of the monies received through the Triple Flip. Therefore, staff recommends increasing the 2015-2016 estimates by approximately 25%.
