Pages 21-40

Recommended Action: Receive the Presentation.

6 PUBLIC HEARING (NONE)

7 PUBLIC COMMENT

Members of the public are permitted to address the Council orally or in writing on matters of concern to the public within the subject matter jurisdiction of the City that are not listed on this agenda. Please make your comments as succinct as possible. Oral comments made at the meeting may not exceed five (5) minutes per speaker. Written comments should not exceed 800 words. Written comments received before the close of an agenda item may be read into the record, with a maximum allowance of five (5) minutes in length. Council cannot act on items not listed on this agenda but may briefly respond to statements made or questions posed, request clarification, refer the matter to staff, or place the matter on a future agenda.

8 COUNCIL AND STAFF

The purpose of these reports is to provide information to the Council and public on projects, programs, and issues discussed at committee meetings and other items of Colfax related information. No decisions will be made on these issues. If a member of the Council prefers formal action be taken on any committee reports or other information, the issue will be placed on a future Council meeting agenda.

8A. Committee Reports and Colfax Informational Items – All Councilmembers

8B. City Operations Update – City Manager

9 COUNCIL BUSINESS

9A. Skate Park Project Update and Preliminary Plans

Pages 41-52

Recommended Action: Adopt Resolution __-2024 to approve the redesign and the Preliminary Plans for the Colfax Skate Park.

9B. United Sovereign Americans Resolution on Elections

Pages 53-60

Recommended Action: Take no action

10 GOOD OF THE ORDER

Informal statements, observation reports and inquiries regarding the business of the City may be presented by Councilmembers under this agenda item or requests for placement of items of interest on a future agenda. No action will be taken.

10A. Public Comment on Good of the Order

Members of the public are permitted to address the Council on matters that relate to general welfare of the City that have not been previously discussed on this agenda. Oral comments may not exceed five (5) minutes. Written comments should not exceed 800 words.

11 ADJOURNMENT

I, Amanda Ahre, City Clerk for the City of Colfax, declare that this agenda was posted in accordance with the Brown Act at Colfax City Hall and Colfax Post Office. The agenda is also available on the City website at <http://colfax-ca.gov/>

Amanda Ahre, City Clerk

Administrative Remedies must be exhausted prior to action being initiated in a court of law. If you challenge City Council action in court, you may be limited to raising only those issues you or someone else raised at a public hearing described in this notice/agenda, or in written correspondence delivered to the City Clerk of the City of Colfax at, or prior to, said public hearing.

LEVINE ACT WARNING: In certain instances, parties, participants, and their agents before the City Council are subject to the campaign disclosure provisions detailed in Government Code Section 84308, California Code of Regulations Sections 18438.1 through 18438.8, and Fair Political Practices Commission Opinion 0-22-002. All parties, participants, and their agents are hereby directed to review these sections for compliance. If you believe that these provisions apply to you or a Council Member, please inform the City Clerk at the earliest possible opportunity.

4

Agency Reports

4A. Placer County Sheriff's – Lieutenant Griffiths announced his promotion and that he will be leaving the City of Colfax. Deputy King gave a report on statistics for the month of September.

4B. CHP – Absent

- 4C. **Placer County Fire/CALFIRE** – Chief Counts reported on the fire in Dutch Flat, and gave statistics for the month of September.
- 4D. **Non-Profits** – Sharron Connors with the VFW spoke of the Ballpark Fundraiser, pancake breakfast, bake sale, and the senior lunch.

5 **PRESENTATION (None)**

6 **PUBLIC HEARING (None)**

7 **PUBLIC COMMENT**

Harry Anderson questioned the new marking on Canyon Way and congratulated Lieutenant Griffiths on his promotion.

Brian Faircloth, Brian Brbaker, William Trathen, Laura Bloas, and Adrienne Uhl, all volunteers of the United Sovereign Americans, presented a resolution for a valid 2024 election. A copy of this resolution was given to all council members for consideration to discuss on a future agenda.

Roy Johannesen would like to find a way to keep Colfax thriving, and discussed possibly leasing parking spaces in open parking areas.

8 **COUNCIL AND STAFF**

8A. **Committee Reports and Colfax Informational Items – All Councilmembers.**

Mayor Pro Tem Lomen had nothing to report.

Councilmember Hillberg attended the Economic Development Commission meeting and Coffee and Conversations.

Councilmember McCully talked about Oktoberfest, Coffee and Conversations, SACOG meeting, and an upcoming performance at the Colfax Theater on 10/17.

Mayor Douglass talked about Coffee and Conversations.

8B. **City Operations Update – City Manager**

City Manager Walker reported the compost pad construction is underway, I&I is nearly complete, the progress of the Algae project at the WWTP, and the upgrade of the SCADA system at the WWTP.

9 **COUNCIL BUSINESS**

9A. **Ordinance Establishing Administrative Remedies Procedure for Challenges to Fees, Charges, and Assessments**

Recommended Action: Introduce and waive the first reading of ordinance establishing an administrative remedies procedure for challenges to fees, charges and assessments.

City Attorney Conor Harkins introduced this item.

Roy Johannesen asked if this would make it easier or harder to protest fees and charges.

Council discussed this item further.

MOTION made by Councilmember McCully Seconded by Mayor Pro Tem Lomen, and approved by the following vote:

AYES: Hillberg, Lomen, McCully, Douglass

NOES:

ABSTAIN:

ABSENT: Burruss

10

GOOD OF THE ORDER

Mayor Pro Tem Lomen asked to bring the United Sovereign American's resolution back to discuss on the next agenda.

Councilmember Hillberg had nothing for good of the order.

Councilmember McCully talked about the upcoming Chili Cook off, Farmer's and Children's markets, first responder's dinner, the upcoming play at the Colfax Theater, and the upcoming pancake breakfast.

Mayor Douglass had nothing for good of the order.

10A. Public Comment on Good of the Order

No public comment on good of the order.

11 ADJOURNMENT

As there was no further business on the agenda, Mayor Douglass adjourned the meeting, by motion and without objection at 7:08 p.m. Respectfully submitted to City Council this 23rd day of October, 2024.

Amanda Ahre, City Clerk

Amanda Ahre, City Clerk

Staff Report to City Council

FOR THE OCTOBER 23, 2024 REGULAR CITY COUNCIL MEETING

From: Ron Walker, City Manager
Prepared by: Shanna Stahl, Administrative Services Officer
Subject: Quarterly Sales Tax Analysis – Quarter Ended June 30, 2024

Budget Impact Overview:

N/A: ✓	Funded:	Un-funded:	Amount:	Fund(s):
---------------	----------------	-------------------	----------------	-----------------

RECOMMENDED ACTION: Accept and File

Summary/Background

City staff provides a quarterly report on Sales and Use Tax revenues as quarterly information is available. We have received the final Accounting for Sales and Use Tax revenues for the quarter ended June 30, 2024, which is the fourth quarter of fiscal year 2023-2024.

As reported in the chart below, sales tax revenues for the quarter ended June 30, 2024 increased 84% as compared to the same quarter last year, and was 95% higher as compared to the previous quarter (03/31/2024).

	QE 09/30	QE 12/31	QE 03/31	QE 06/30	Total Fiscal Year Actuals	Fiscal Year Budget	Actuals as % of Fiscal Year Budget	Actuals to Budget Difference		Original Budget
Fiscal Year 2023-2024	\$ 397,425	\$ 332,232	\$ 305,997	\$ 598,109	\$ 1,633,763	\$1,336,734	122%	\$ 297,029		\$1,336,734
Fiscal Year 2022-2023	\$ 410,913	\$ 353,933	\$ 248,626	\$ 325,197	\$ 1,338,670	\$1,297,800	103%	\$ 40,870		\$1,297,800
Fiscal Year 2021-2022	\$ 300,458	\$ 298,414	\$ 378,914	\$ 414,444	\$ 1,392,230	\$1,260,000	110%	\$ 132,230		\$1,260,000
Fiscal Year 2020-2021	\$ 391,444	\$ 340,379	\$ 326,981	\$ 365,994	\$ 1,424,798	\$1,250,000	114%	\$ 174,798		\$1,125,000
Fiscal Year 2019-2020	\$ 457,737	\$ 320,975	\$ 370,903	\$ 374,688	\$ 1,524,302	\$1,450,000	105%	\$ 74,302		\$1,430,388
% Change - Previous Calendar Qtr	22%	-16%	-8%	95%						
% Change - Same Qtr - Prev Year	-3%	-6%	23%	84%						

Fiscal and Budget Impacts

The budget for the current fiscal year was forecasted at a conservative 3% growth over the 2023-2024 fiscal year budget and equates to 48% of the actual revenues received in the last fiscal year.

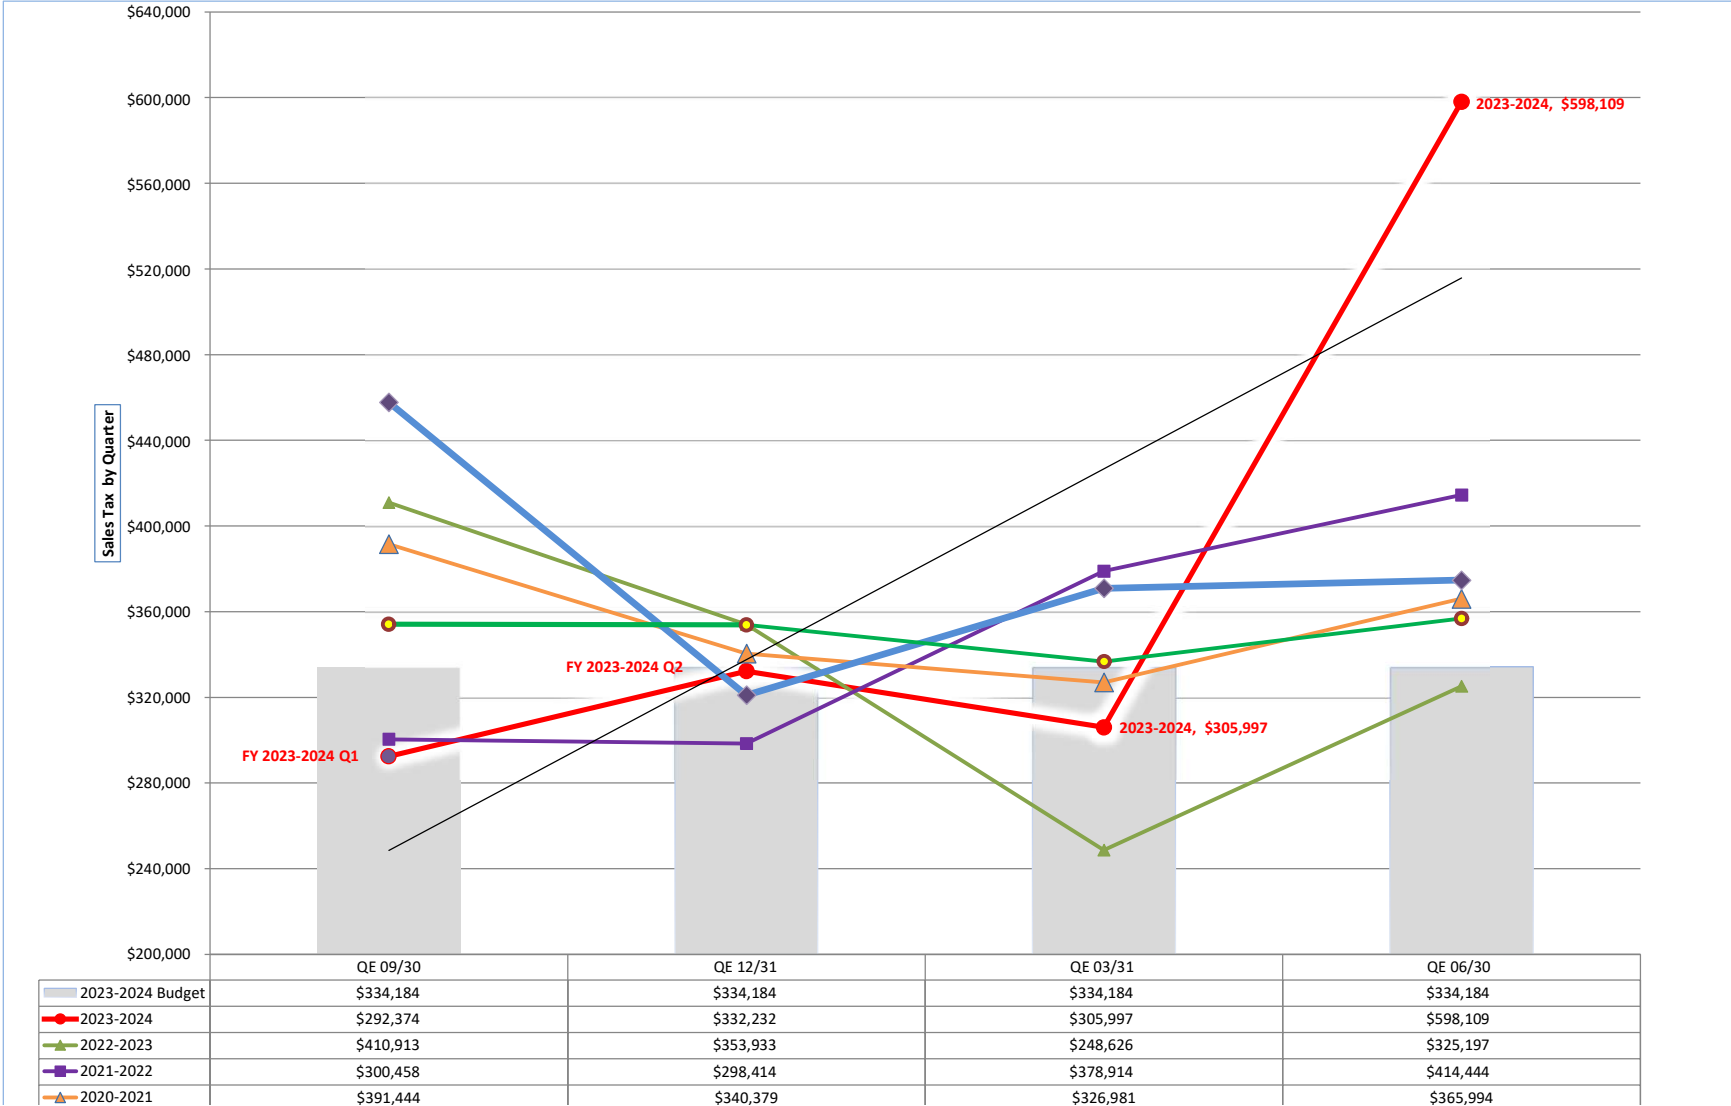

Sales tax revenues are very difficult to predict. While we did experience a strong closing quarter for fiscal year 2023-2024 sales tax revenue, there is no concrete evidence to suggest there should be a long-term adjustment. The estimates for this fiscal year remain conservative.

Staff will continue to monitor and provide updates as additional information is available.

Staff Report to City Council

FOR THE OCTOBER 23, 2024 REGULAR CITY COUNCIL MEETING

From: Ron Walker, City Manager
Prepared by: Shanna Stahl – Administrative Services Officer
Subject: Cash Summary – September 2024

Budget Impact Overview:

N/A: ✓	Funded:	Un-funded:	Amount:	Fund(s):
---------------	----------------	-------------------	----------------	-----------------

RECOMMENDED ACTION: Accept and File.

Summary/Background

The monthly financial report includes General Fund Reserved Cash Analysis Graphs and the City of Colfax Cash Summary Report (with supporting documentation). The purpose of these reports is to provide the status of funds and transparency for Council and the public regarding the financial transactions of the City. The reports are prepared monthly on a cash basis and are reconciled to the General Ledger accounting system, previous reports, and bank statements. Detailed budget comparisons are provided as a mid-year report and as part of the proposed budget process each year.

The attached reports reflect an overview of the financial transactions of the City of Colfax in September 2024. Some monthly highlights are listed below:

- September revenues included:
 - Allocation for Sales Tax revenues reported/paid to the State for the month of July 2024 (two-month lag).
- September expenditures included:
 - Approved capital project expenditures – expenditures on WWTP Construction Grant.
 - Quarterly payment to Placer County for Sheriff contracted services
- Negative cash fund balances at the end of September are primarily due to the timing of funding allocations and reimbursements:
 - Fund 218 – Support Law Enforcement – These expenses are fully funded by Citizens Options for Public Safety Funding (\$100K per year). The first allocation for this fiscal year should be received in October.
 - Fund 250 – Streets – Roads/Transportation. These expenses are funded by annual Transportation funding through Placer County Transportation Agency (PCTPA), transfer of City Gas Tax revenues, and a General Fund allocation. PCTPA funding request will be completed in October.
 - Fund 358 – CDBG Road Rehabilitation. This is a reimbursable grant – the final funding of the grant was awarded in November 2023. The City has begun the reimbursement process. SB1 Funds received will also help pay for the City’s match obligation.
 - Fund 386 – Caboose Relocation. These expenses are being tracked for the relocation of the downtown caboose.

- Fund 575 – WWTP Construction Grant. This is a reimbursable grant. Reimbursement requests are scheduled to be submitted at least quarterly.
- Fund 590 – Sewer Consolidation Planning Grant. This is a reimbursable grant – reimbursement requests are scheduled to be submitted quarterly upon final award of application grant. Tentatively scheduled for Spring 2025.
- Anticipated revenues/expenditures for October include:
 - Revenues
 - Allocation for Sales Tax revenues reported/paid to the State for the month of August 2024 (two-month lag).
 - Capital project reimbursements.
 - Expenditures
 - Approved capital project expenditures. We anticipate continued large expenditures for the Wastewater Treatment Plant Construction project as the I/I Mitigation and Algae Reduction phases continue construction. The CDBG project will also have large expenses.
 - Ongoing monthly operating expenses.

Staff Report to City Council

FOR THE OCTOBER 23, 2024 REGULAR CITY COUNCIL MEETING

From: Ron Walker, City Manager
Prepared by: Jim Fletter, Senior Engineer with Wood Rodgers, Inc.
Subject: I&I Mitigation Project Acceptance

Budget Impact Overview:

N/A:	Funded: √	Un-funded:	Amount: N/A	Fund(s): 575
-------------	------------------	-------------------	--------------------	---------------------

RECOMMENDED ACTION: Adopt Resolution __-2024 authorizing the City Manager to execute and record a Notice of Completion for the I&I Mitigation Project, Project No. 20-2024 I&I.

Summary/Background

The City of Colfax entered into a Construction Grant Agreement with the State Water Resources Control Board (Water Board) in 2021 for the construction of the Solar, Algae Reduction, and I&I Mitigation Projects. McGuire and Hester was the construction contractor awarded the I&I Mitigation Project (Project). The Project has been deemed by City staff and its representatives as complete.

The Project primarily consisted of replacement and rehabilitation of sewer mains, manholes, and services to property lines. The City maintains approximately 62,000 feet of gravity sewer main, 300 manholes, and 714 services. This project replaced and rehabilitated the following quantities within the system.

Gravity Sewer Main - Replacement	3,868 feet (6.2%)
Gravity Sewer Main - Rehabilitation	3,066 feet (5.0%)
Sewer Manhole Replacement/New	48 (16%)
Residential Service Replacement	88 (9.2%)

Originally not included in the Project was reconstruction of City roadways; however, Water Board staff allowed three roads to be reconstructed with the grant fund. These roads included Lincoln Street, Rose Avenue and one block of Northstar Avenue.

Additionally, the Project replaced a few PCWA water mains to facilitate project completion. These replacements were on N. Auburn Street between Grass Valley and Depot streets, the alley adjacent to the hotel at Grass Valley and S. Auburn, and Northstar Avenue between Marvin Avenue and E. Church Street.

Project Cost

As mentioned above, the entire Project is funded through a Clean Water State Revolving Fund Grant. The original Project cost, at bid award, was \$4,225,633. At this time, seven change orders have been issued totaling \$1,293,459 for a current overall cost of \$5,519,092. These additional costs have been reimbursed by the Water Board with a \$1.9 million in contingency that is include with the grant funding.

There are three outstanding change orders that are currently being prepared by the contractor and staff. These will likely total \$254,000 bringing the total project cost to around \$5,773,000.

Conclusions and Findings

Construction of the I&I Mitigation Project began on July 17, 2023, with substantial completion on August 12, 2024. The contractor returned to the City in October to address minor issues identified by the project inspector and the work was deemed complete by City staff and representatives on October 4th. City staff recommends that City Council accept the I&I Mitigation Project as complete and direct the City Clerk to file a Notice of Completion with the Placer County Recorder.

Fiscal Impacts

The construction cost of the I&I Mitigation Project will be reimbursed by the State through the amended CWSRF funding Agreement No. D2101007 executed between the City and SWRCB in October 2023.

Staff Report to City Council

FOR THE OCTOBER 23, 2024 REGULAR CITY COUNCIL MEETING

From: Ron Walker, City Manager
Prepared by: Amanda Ahre, City Clerk
Subject: History of the Colfax Area Living War Memorial Ballpark

Budget Impact Overview:

N/A: X	Funded:	Un-funded:	Amount:	Fund(s):
---------------	----------------	-------------------	----------------	-----------------

RECOMMENDED ACTION: Receive the Presentation.

Summary/Background

In 1947, a dedicated group of residents came together to form the Living War Memorial Committee, driven by a desire to honor the sacrifices of their community's veterans. Their efforts culminated in a groundbreaking ceremony on March 3, 1949. On May 8, 1949, the park was officially dedicated as the Colfax Living War Memorial Park.

Over the past 75 years, this park has become a cornerstone of Colfax's history, serving not only as a memorial but also as a vibrant gathering place for the community. From local events to recreational activities, the park has fostered a strong sense of community and remembrance. Its legacy is woven into the fabric of Colfax, symbolizing resilience, unity, and the enduring spirit of those who served.

As we reflect on the park's rich history, it stands as a testament to the commitment of its founders and the generations that have cherished it since its inception.

Colfax — A Real Baseball Town

Engineer Bill Mutton brought the Nevada County Narrow Gauge into Colfax with whistle screaming.

On board the little train that plied between Colfax and Nevada City were the Empire (Mine) baseball team from Grass Valley and a rowdy entourage of fans.

The Colfax Blues and their equally boisterous followers met the train and, after a motorcade on the two-block main drag, drove out to the diamond on the Rising Sun Mine grounds.

The occasion was the first game played in the newly organized Placer-Nevada League and the date was April 13, 1923. The largest crowd ever to assemble at a Colfax baseball game, 500 people, watched as the Blues, attired in spanking new navy and white uniforms, edged out the visitors seven to six.

The first game of that season in Grass Valley drew 1500. Both games, stripped to bare-bone statistics, are among records compiled by Uno Hebuck of Roseville, the Placer and Nevada counties bush league historian.

A year after Hebuck retired in 1962 after 45 years of service with the Southern Pacific Railroad, he began compiling 83 years of baseball in the two counties.

"The exception was 1918, when no baseball, professional or amateur, was allowed by government orders because of World I. If you could play ball, you could be drafted," Hebuck observed.

His handwritten records fill a couple of fat notebooks and cover a total of 3549 games played, beginning with a contest between Auburn and Grass Valley on July 4, 1886. The last entry is dated 1968, the last year the original Placer-Nevada league was active.

Baseball history dates back to Cooperstown, New York in 1839 and beyond, but when the game was first played in the west could not be determined.

By 1875 it was catching on in the northern Sierra mining towns. In 1888 a Northern California Base Ball League was organized by the Browns and Capitals of Grass Valley, the Nationals of Nevada City and the Empires of Chicago Park.

North San Juan, Newcastle, and the Marysville Eagles and the Golden Crowns of Auburn were invited to join.

According to Hebuck's records Colfax had a team that traveled to Auburn on May 19, 1889 and edged out the home team, 12 to 0.

From the 1688 games for which box scores were available, a performance record for every player is quoted in the official style used by professionals.

"I have records for 4300 ball players, showing years and number of games played, home team, number of times at bat, runs scored...base hits, batting averages, home runs, three and two baggers and stolen bases.

"Also, there are records for 660 pitchers and for umpires."

Starting with 1886 Hebuck lists umpires by name and hometown plus years of officiating.

"From the time the Placer-Nevada League started the records show what teams were in it, year by year, presidents and other officers, pennant winners and other miscellaneous information," Hebuck said.

He collected his information from the **Placer Herald**, the **Auburn Journal** and the **Colfax Record**.

In October of 1923 Colfax ball fans enjoyed a play by play of the World's Series by wireless radio from the **San Francisco Call**. The game was heard on the Standard Oil Sanitarium's radio that the editor of the **Record** had borrowed and set in front of the telephone office and pool room.

No mere armchair baseball fan, Hebuck began his extensive bush league career in 1911 at the age of 14 as a scorekeeper for the Rocklin nine. By 1915 he was playing and managing the same team.

In ensuing years he was an outfielder for Orland, the Roseville Tigers, the Rocklin Owls and Colfax. Most of these teams he managed at one time.

"While playing for and managing a Truckee team in 1921 I promoted a special July Fourth game between that town and Hobart Mills at the west end of Donner Lake for Wally Gelat, manager of Donner Lake Lodge.

"A large crowd attended and there were many Model T's."

From 1932 to 1941 Hebuck umpired for the P-NL, which he also served as statistician, schedulemaker and, in the closing years of the league, as secretary.

Star pitcher of the P-NL, according to Hebuck's records, was Dave Roderick, who pitched 260 games for Rocklin and Roseville from 1927 to 1953. He struck out 1,406 batters, walked 446 and opponents got 1,815 hits off of him. He won 150 games and lost 97.

The umpire with the longest service in Placer County was R.C. Davis of Roseville, who officiated for 27 years, 1920 to 1947.

One Colfax pitcher who got a great deal of publicity from Scoop Thurman was Ed Hutchinson. A headline in the May 19, 1922 **Record** announced, "New Ball Player Arrived in town." Born to pitcher Hutchinson and his wife was a son, Jack with Dr. H.M. Kanner officiating. "His granddaddy 'Big League' Hutchinson was some ball player in his day," Scoop observed.

The Colfax Browns of 1894.
Colfax Record Photo

... years, was a ... District and was affiliated with several lodges. In 1923 Peers and family moved into what was described in the Record as the "most wonderful home in Superior California." Its Italian Villa Renaissance style, designed by B. Maybeck of San Francisco, was described in glowing terms. The house is now owned and occupied by the Robert Kauffmans.

The doctor retired in 1951. He and his wife, Lucy Fitzgerald Peers, moved to Palo Alto where he died January 31, 1970 at the age of 94.

The man received worldwide attention for his work toward removing TB from the list of fatal diseases. He was a diplomat of the American Board of Internal Medicine, also a fellow of the American College of Physicians and of the American Medical Association.

As mayor of Colfax it was Peers' pleasure to open each baseball season for the Placer-Nevada League. On April 11, 1941 Scoop wrote: "His honor throws a wicked fast ball and if Coroner Westy (Francis West) doesn't look out, he'll strike out. Imagine a doctor pitching to an undertaker."

Living War Memorial Fund.

CITY GIVEN TITLE TO WAR MEMORIAL LAND

Committee Meets Jointly With Council, Turns Over Deed To Two Acres In New Playground-Recreation Area; Marson Reports Promises Of Machinery Loans.

Committee members of the Colfax Area Living War Memorial, Inc., met Tuesday night at Memorial Hall with the city council and General Chairman Oswald Marson turned over to the city a deed and lease to two and a fraction acres of land purchased from Mr. and Mrs. LeRoy C. Foss, to be included in the proposed public playground and recreation center in **Western Addition**.

The property was purchased by the War Memorial group for \$500. The lease agreement signed by Mayor William Schulz on behalf of the city, will run for two years, subject to cancellation upon written notice by either the city or the committee after the first six months.

Under the agreement, the committee agrees to carry on the development work "diligently" and as specified and the city has the authority to have an inspector on the ground at any time to see there is no variation from the plans and specifications.

TITLE IS CLEAR

Validity of title to the Foss property was assured by the Placer County Title Company, in a letter to City Attorney Marshall Lowell and read to the council.

The War Memorial committee met in a formal session preceding the city council meeting, the first gathering of the committee since November 30. Marson presided and Mrs. Jean Dittmore, secretary, kept the minutes. Reports of sub-committee heads were received. On motion of Harrison Randall, seconded by Judge Dittmore, the committee accepted the Foss lease agreement with the city, as drawn by the city attorney.

Marson reported that he had conferred with County Road Commissioner Harlean on the matter of borrowing county heavy equipment, such as bulldozers and rollers, for leveling of the tract for the playground center promised to

ed here, with no charge for labor and added that when the time comes to erect bleachers at the park he will provide, without charge, concrete ready for pouring.

At Marson's suggestion, Fred Schultz was selected as the surveyor on the project.

BALANCE OF \$6,841

The chairman said the engineering fees have been paid, the property acquired has been paid for and the committee now has a bank balance of \$6,841.88. He added that about \$1,800 in pledges is still outstanding, or coming in to the treasurer in installments.

Besides Marson, Judge Dittmore and Randall, other War Memorial committee members present were: Henry Wittich, Paul Kalbo, Miss Bernice Williams, Armand Chelini, Harry Gould and Chester Gibbs.

Ernest Williams, appearing as a private citizen, suggested that the property at the eastern limits of the city on Highway 40, being vacated by the Quonset Village Club, would make a good site for the proposed new Veterans Memorial building. He said he understood the property, including water connections, septic tank and foundations now in place, may be purchased for \$6,000.

No action was taken on this suggestion.

Suspects Stay Co Ahead Of Cops--

This was a case of getting the right number but the wrong party. And another mistake with this morning. When the cops are looking for you, don't take a room in a hotel or run by a policeman!

SITE OF LIVING WAR MEMORIAL

—Record photo by Harry M. Callender

Above we present a photograph of a part of the city property on **Western Addition**, at the head of Grass Valley street where the new city playground and baseball diamond are to be laid out. The Living War Memorial committee recently purchased a strip 200 feet wide which extends back on the hill to the rear to about where the lone tree stands on the side of the hill at about the middle of the picture. A large part of the hill will be cut down and the dirt spread around. This will give a level piece of ground about 400 by 400 feet.

Colfax Living War Memorial Park dedicated in May of 1949. Swimming pool fund was started in 1960.

Colfax Record

launch the new park took nearly four years of planning and months and months of hard work. Finally, the Living War Memorial park became a reality on that first weekend in May of 1949.

After the Placer Union high school band gave a brief concert on Main and Grass Valley Street and then marched up to the park, a crowd of nearly 800 people was on hand and welcomed by Master of Ceremonies Ralph Mitchell.

Following the flag raising ceremonies by the Veterans of Foreign Wars and American Legion, Mitchell introduced Frank Booth of Marysville, a member of the State Recreation Committee who responded with a brief talk in which he congratulated the citizens of Colfax.

Marson, the former mayor of Colfax and chairman of the War Memorial Committee, was introduced next. Marson gave a brief review of the project, which was completed in 60 days following the arrival of the first piece of dirt removing equipment at the park

lives, that our way of life might continue."

"Oh yes, I know that some will say that such a proposal will cost too much money. But will it? Many local citizens have been talking about giving our boys a big time when they come home. If you gave them a park, a baseball diamond, and a swimming pool, I know they will appreciate it. Those who do not remain here will be glad to know that the "kids" who are here will be getting a break they did not have when they were kids."

"A park, baseball diamond, and swimming pool have been a great need in this city for many years. We can do something of a real constructive nature in behalf of the boys and girls of Colfax and this area in general. We know that we will have the support of the city council."

"Let us dedicate a park in Colfax as a Living War Memorial to our hero dead."

Spearheaded by former mayor Oswald Marson, the effort to

PARK

Continued from PG. 1

Five Cities, Folsom, Woodland, and Davis all traveling to Colfax. However, the park flourished from the early 1970s to the late 1980s when as many as 25 to 30 men's and women's softball teams each summer comprised four divisions of play that used the field six nights of the week.

The idea to build a park was first suggested by Allen "Scoop" Thurman in a special V-J Edition of the Colfax Record which came out on Sept. 7, 1945.

As Thurman wrote, "The Colfax Record herewith announces that it will sponsor the solicitation of funds for the purchase of a site for a Living War Memorial to be dedicated to the memory of the boys from this area who made the supreme sacrifice in the war which just ended."

"What could be more fitting than a Living Memorial to the memory of those who gave their

site.

In closing his remarks, Marson introduced Harvey West Sr. and presented him with an engraved silver pass to all athletic events at the park. Marson told the people present of the great assistance and encouragement given to the committee by West.

West responded by noting that he was pleased to be able to help Colfax build a new park. He noted that last year at the old Rising Sun park a rattlesnake had appeared on the diamond stopping the game and that the bleachers later collapsed.

Mayor William Schulte was then called upon for the concluding talk and the mayor paid tribute to all who made the project possible. Following the mayor's talk the ball game between Placerville and Colfax got underway. At the conclusion of the game a free barbecue was held on Grace Hubley Jones' property at the west end of the park.

Colfax Living War Memorial Park dedicated in May of 1949. Swimming pool fund was started in 1960.

Living War Memorial Park still going strong

By Mike May
Colfax Record Sports Editor

The 60-page banner headline in the Friday, May 6, 1949 edition of the Colfax Record told the whole story: "New park dedication on Sunday."

And, as then Record editor Allen G. "Scoop" Thurman mused in his page two editorial, the Living War Memorial Park project was indeed "A Dream Come True."

The dedication of the Living War Memorial Park was big news in the post war year of 1949. So big that Thurman used his infamous "Sporting Book" color on

page one of that week's Record.

Nearly five decades later, the dream built at Living War Memorial Park lives on. Forty-eight years after the Colfax Fireballs and the Placerville Bartletts squared off on Sunday, May 8 in the first baseball game ever played at Living War Memorial, the hilltop facility still is going strong.

Last week, for instance, top youth baseball teams from the foothills area vied in the post season playoff format known as the Tournament of Champions. Later this summer, the Colfax Recreation Association will be holding its 32nd annual men's Labor Day fastpitch softball tournament.

In the Fall, youth soccer teams and adult volleyball

players will make use of the multipurpose facility.

Over the years the Living War Memorial Park has played host to a multitude of events. Besides baseball and softball, it has been used by youth baseball and girls softball groups. It has also been the site of a circus, Easter Sunday services, weddings, dances, Easter egg hunts, and a longer's competition. It has hosted several state ASA softball tournaments and was also a site for a women's Regional fastpitch softball tournament.

From 1960 to 1966 Colfax High's varsity baseball team played its home baseball games at Living War Memorial. With a "short porch" fence in right field estimated at only 280 feet down the line, anything out

of the park to the right side of the flagpole in right center field was a ground rule double.

Colfax's Babe Ruth teams used Living 960s. Memorial Park from the late 1950s to the mid-1960s. When the park was changed to more of a softball configuration in 1966, the Babe Ruth teams moved to the then new built fields at Colfax High.

In 1967, girls' fastpitch softball joined the Recreation Boys baseball leagues in playing at the Park. Several Bobby Sox softball tournaments for girls were hosted at Living War Memorial with outstanding teams from Fair Oaks, West Sacramento.

Please See PARK, PG. 6

Thurman calls park 'Dream Come True'

By Allen "Scoop" Thurman
from the May 6, 1949 edition of the Colfax Record

The dream of several local citizens has come true. As we dedicate the Colfax Area Living War Memorial Park on Sunday, the hopes and ambitions of a few live wire citizens becomes a reality. For it was a dream and the hopes of these citizens that Colfax should have a recreational park dedicated to the boys of this area who lost their lives in World War II.

The recreation project was not complete without hard work on the part of the Living War Memorial Committee plus the cash contributions, the material and equipment contributed and the contributions in the form of labor. The people and organizations of the area liberally contributed in one form or another. To all these fine people, the Record on behalf of the committee extends sincere thanks. And to the largest contributor in both cash, labor, equipment and material, who is not a resident of Placer

County, the people of Colfax owe a debt of gratitude, for without his help the project would have not been completed.

For many years the kids of Colfax have had no suitable place to play after school hours. The boys who like baseball have been handicapped for the lack of a satisfactory ball diamond within walking distance. The old park at the Rising Sun Flat was never a satisfactory park, due to the fact, it was not level, full of gravel, granite rock and trees in the outfield made it dangerous to field fly balls.

With the new park now ready for use there will be no such handicaps and the "kids" who like baseball will not have to go out of town to play ball. The new diamond will be available for both boys and girls and the boys' softball teams also.

Within a short time, it is expected that a playground for the children will be built on the property as well as a picnic ground. And some day a swimming pool can be

Colfax Record

Shaping Colfax

Marson: Community effort labor of love

By A. Thomas Hamer
Colfax Record Reporter

Editor's Note: The following article is part of an ongoing series featuring individuals who have been involved in shaping Colfax in the past and who continue to work for a better community.

For Colfax business owner Ed Marson, community involvement is a hands-on labor of love. Currently he serves as chair of the Colfax Recreation Commission.

"About 14 years ago they asked me to be on the committee. I'm still doing it," he said with a smile.

Marson and his family are no strangers to recreation in Colfax.

"My grandfather Oswald was a barber in Colfax in 1930," Ed said. "He opened Marson's clothing store at its present location in 1938. After World War II he spearheaded the building of Living War Memorial Field in 1949. For 50 years the ball field has been a place of pride for Colfax."

"He didn't do it for my dad or my brother or I; he did it for the community. He got involved. It was a place where young people would meet and play baseball," he continued. "The community had a lot of pride in its recreation center. After the pool was built, people didn't expect organized swimming activities. If people volunteered, we had a swim team. The pool, however, was built for the community to enjoy. A place where we could teach our kids how to swim in a safe environment."

Marson is concerned that many area residents simply take the recreation center, its ball field and swimming pool for granted.

"You used to see ball players automatically stop and pick up a small rock in outfield between innings to keep the field in good shape. You don't see that anymore," he said.

"Things are changing. The city wants to hire a full time recreation director not only to run the program, but also to establish a service area or recreation district. Establishing a district will be a full time

"We need better communication," he added. "Not long ago city council members worked in Colfax and you saw them every day, talked about common problems and shared ideas. Today many of the Council members work out of town and you never see them. You might not even recognize them if you did see them."

"Before we go out and throw money at the problems, we need to all get together and set common goals and have common understanding. In Colfax it's all about volunteers."

Ed Marson

job. We have wanted to do that for years to help raise money to build and maintain facilities, not to pay labor costs," he said.

Marson feels that before a full time director is hired, everyone needs to be on the same page.

"Place our hand on a blackboard and outline it with chalk," he said. "Now look at the outline of each finger and imagine one being the business community, one the Chamber, one the Lions Club, one the city and one a group of volunteers. If we all aren't working together, nothing gets done."

"People like Mike Ray have spent a lifetime making sure our recreation facilities and programs work," he continued. "These are the people who will make it happen. Sometimes after work I will go up to the ball field all by myself. Maybe I'll clean up the area or just watch the sunset. It is a very special place," he said. "You have to like what you do."

As for the future, "If we are all on the same page, it will work," he said. "Colfax is very special and very lucky to have the facilities we have. It gives our community character."

When Ed goes to the ball field he can still see his grandfather umpiring a game behind home plate. "He didn't do it for himself or his family, it was for the community. My father Robert (Ozzie) continued that tradition and it was taught as boys to my brother and I."

"A lot of people don't understand how special these facilities are to Colfax. They think they just happened. They didn't. It happened because a lot of people volunteered and got it done. That needs to happen today," he said.

Volunteers needed for festival

Volunteers are needed to help direct all activities.

Peach festival Sept. 26

Staff Report to City Council

FOR THE OCTOBER 23, 2024 REGULAR CITY COUNCIL MEETING

From: Ron Walker, City Manager
Prepared by: Carl Moore, City Engineer
Subject: Skate Park Project Update and Preliminary Plans

Budget Impact Overview:

N/A: ✓	Funded:	Un-funded:	Amount:	Fund(s):
--------	---------	------------	---------	----------

RECOMMENDED ACTION: Adopt Resolution __-2024 to approve the redesign and the Preliminary Plans for the Colfax Skate Park.

Summary/Background

On October 23, 2019, the City Council adopted Resolution 51 - 2019 which formally approved locating the Skate Park adjacent to the Splash pad. This project has experienced multiple delays and has yet to be completed.

The skate park is part of the Colfax Green Machine Project, for which donations have been promised and/or collected from the community over the years. Increases in costs, including prevailing wage expenses, have surpassed the current project budget, potentially causing further delays to the project.

Colfax Green Machine has contracted with New Line Skateparks Inc to revise the footprint of the skate park and provide preliminary plans for City Council review and approval.

Conclusions and Findings

To address the escalating project costs, City Council approved Green Machine's request for approval to modify the current footprint and design of the skate park to align with the available budget and approval to allocate \$100,000 from Colfax City Park and Recreation fees to facilitate the completion of the skate park per Resolution 07-2024.

In addition, City Council approved Resolution 34-2024 authorizing the City Manager to sign a funding agreement with Placer County increasing the County funding from \$75,000 to \$205,000.

Fiscal Impacts

No funding impacts at this time. Preliminary plan approval only.

Attachments:

1. Resolution __ - 2024
2. Preliminary Plans

City of Colfax

City Council

Resolution № __-2024

APPROVING THE REDESIGN AND THE PRELIMINARY PLANS FOR THE COLFAX SKATE PARK.

WHEREAS, in 2022 the City entered into an agreement with the County of Placer in which the County agreed to provide Park Dedication Fees to the City in an amount not to exceed Seventy-Five Thousand dollars for a Skate Park to be constructed; and,

WHEREAS, due to escalating construction related costs surpassing the project budget, an additional \$130,000 of financial support was later requested from the county; and,

WHEREAS, on April 4, 2024 the city received a new agreement from the County of Placer reflecting the additional \$130,000 of financial support for a total of \$205,000; and,

WHEREAS, the April 4, 2024 agreement will terminate the March 9, 2024 agreement.

NOW THEREFORE, BE IT RESOLVED by the City Council of the City of Colfax approves the revised footprint and preliminary plans, direction will be provided to Colfax Green Machine to finalize the improvement plans for the Colfax Skate Park.

THE FOREGOING RESOLUTION WAS DULY AND REGULARLY ADOPTED at the Regular Meeting of the City Council of the City of Colfax held on October 23, 2024, by the following vote of the Council:

AYES:

- The city is outside of the Placer County MS4 permit area.

GEOTECHNICAL ASSUMPTIONS + APPROACH

Geotechnical approach for the sites development is based upon the following notes from the Geotechnical Report:

- Site strip is assumed to be 3" og organic topsoil. Actual stripping depth to be determined based on-site conditions.
- Undocumented Fill is possible within the footprint of former swimming pool.
- If undocumented fill (pipe, asphalt pieces, concrete) are found, the undocumented fill shall be removed to expose competent soil or undisturbed weathered bedrock to a depth of 3' below finished pad grade, whichever is shallower (Per Geotech Report)
- Subgrade Prep shall include (in Overexcavated areas and areas left at grade) scarifying to a depth of 12", uniformly moisture-conditioned, at or above optimum moisture content, and compacted to at least 90% relative compaction.

TYPICAL DRAIN INLET DETAIL

Design Development | Stakeholder Meeting Feedback

MEETING SUMMARY

On September 26th, at the stakeholder input meeting, concepts for Colfax Skatepark design were discussed and reviewed. The stakeholders and clients shared their opinions to help develop a revised design concept.

PREFERRED FEATURES

Ledges and Flat Bars

Step Up Gap

Closed Bowl, Fun-Size

Spine Feature

SUGGESTED THEMING IMPROVEMENTS

- Mining Elements
- Railroad Track Rails
- Skateable Rocks/Boulders
- Tree Stumps

PRESENTED CONCEPTS

CONCEPT 1

CONCEPT 2 - PREFERRED CONCEPT

KEY

X

Eliminated

Approved

Design Development | Theming

APPROACH

The intent of theming within the design is to integrate the skatepark into Colfax's environment. Thematic features encourage users to understand the culture and identity of Colfax. Theming elements will include highlighting details of Colfax's natural and historical context.

Colfax, once a major supply hub for goldmining camps, is now most known as a genuine historical railroad town. The Central Pacific Railroad was developed in the 1860s, part of the First Transcontinental Railroad project. One of the first station stops developed in California was Colfax. This railroad project eventually connected the east coast with the Pacific coast, San Francisco bay.

To preserve this rich history of Colfax, railroad and mining themes are considered within the skatepark design.

METAL COLORS

Final Design Concept | Design Narrative & Site Plan

The revised concept design is a product of the feedback input that was received at the previous stakeholder meeting. Upon entrance, there are seat ledges and a stair set that leads to a closed bowl. The bowl features a hip and a peninsula spine that connects to a mini ramp. The street area features hips, ledges, a manual pad, downrail, flatrail, and a step up gap. South of the park is spectator space, which may include seating and shade depending on final budget.

Legend

- Pedestrian Circulation
 - Rider Circulation
 - Fence Line
 - Staging Area
 - Rules Sign
- ① Skatepark Entry Point & Signage
 - ② Skatepark - Ledges and Flat Bar
 - ③ Skatepark - Bump to Ledge, Downrail
 - ④ Skatepark - Spectator Viewing Area
 - ⑤ Skatepark - Bowl / Halfpipe
 - ⑥ Existing Parking
 - ⑦ Existing Splash Pad
 - ⑧ Existing Building
 - ⑨ Green/Buffer Space

Skatepark features are schematic and will be modified based on community input, project budget and geotechnical findings. The current design is schematic to represent the intended terrain style within the project scope.

Construction Development | Cost Estimate

LEGEND

- Base Project Budget
- Additional Amenities & Features
- Potential Skatepark Fencing

ADD ALTERNATES

Additional amenities for consideration not included in current skatepark cost breakdown (costs to be determined):

- ALT 1 - Seat wall and skateable ledges
- ALT 2- Shade Structure(s)
- ALT 3 - Spectator Plaza & Seating
- ALT 4 - Boulders & Additional Plants

KEY ASSUMPTIONS

The estimated construction cost is based off of the following assumptions:

- Park signage, trash, recycling, and bike racks by others
- Project shall be advertised and bid with prevailing wages.
- Installation of subsurface drainage is feasible and can be utilized in the all-wheels skatepark design.
- Contractor can stage material and equipment on site.
- All-Wheels facility shall consist of a mix of skatepark features with total target size of roughly 7,500 sq. ft per the current cash budget available.

BREAKDOWN	
DESIGN FEES	\$49,500
CONSTRUCTION ITEM	ESTIMATED COST
General Conditions	\$107,500
Civil Works	\$89,750
Landscape Remediation	\$31,500
Skatepark Elements	\$250,000
SUBTOTAL	\$478,750
Contingency (± 15%)	\$71,812
SKATEPARK CONSTRUCTION TOTAL	\$550,562
BUDGET - CASH IN HAND	\$602,452

DONATIONS

Confirmed with Letter “In-Kind” Donations

Teichert Construction - Aggregate base, fill material, and 2 boulders. Ready-mixed concrete, including aggregates and cement. Batching and Delivery directly or in partnership with suppliers. Drainline installation, Demolition of existing fencing and concrete slabs, and boulder placement.

Robinson Sand & Gravel - Delivery of donated aggregate base and boulders. Will allow waste concrete to be dumped at their Grass Valley Hwy material yard.

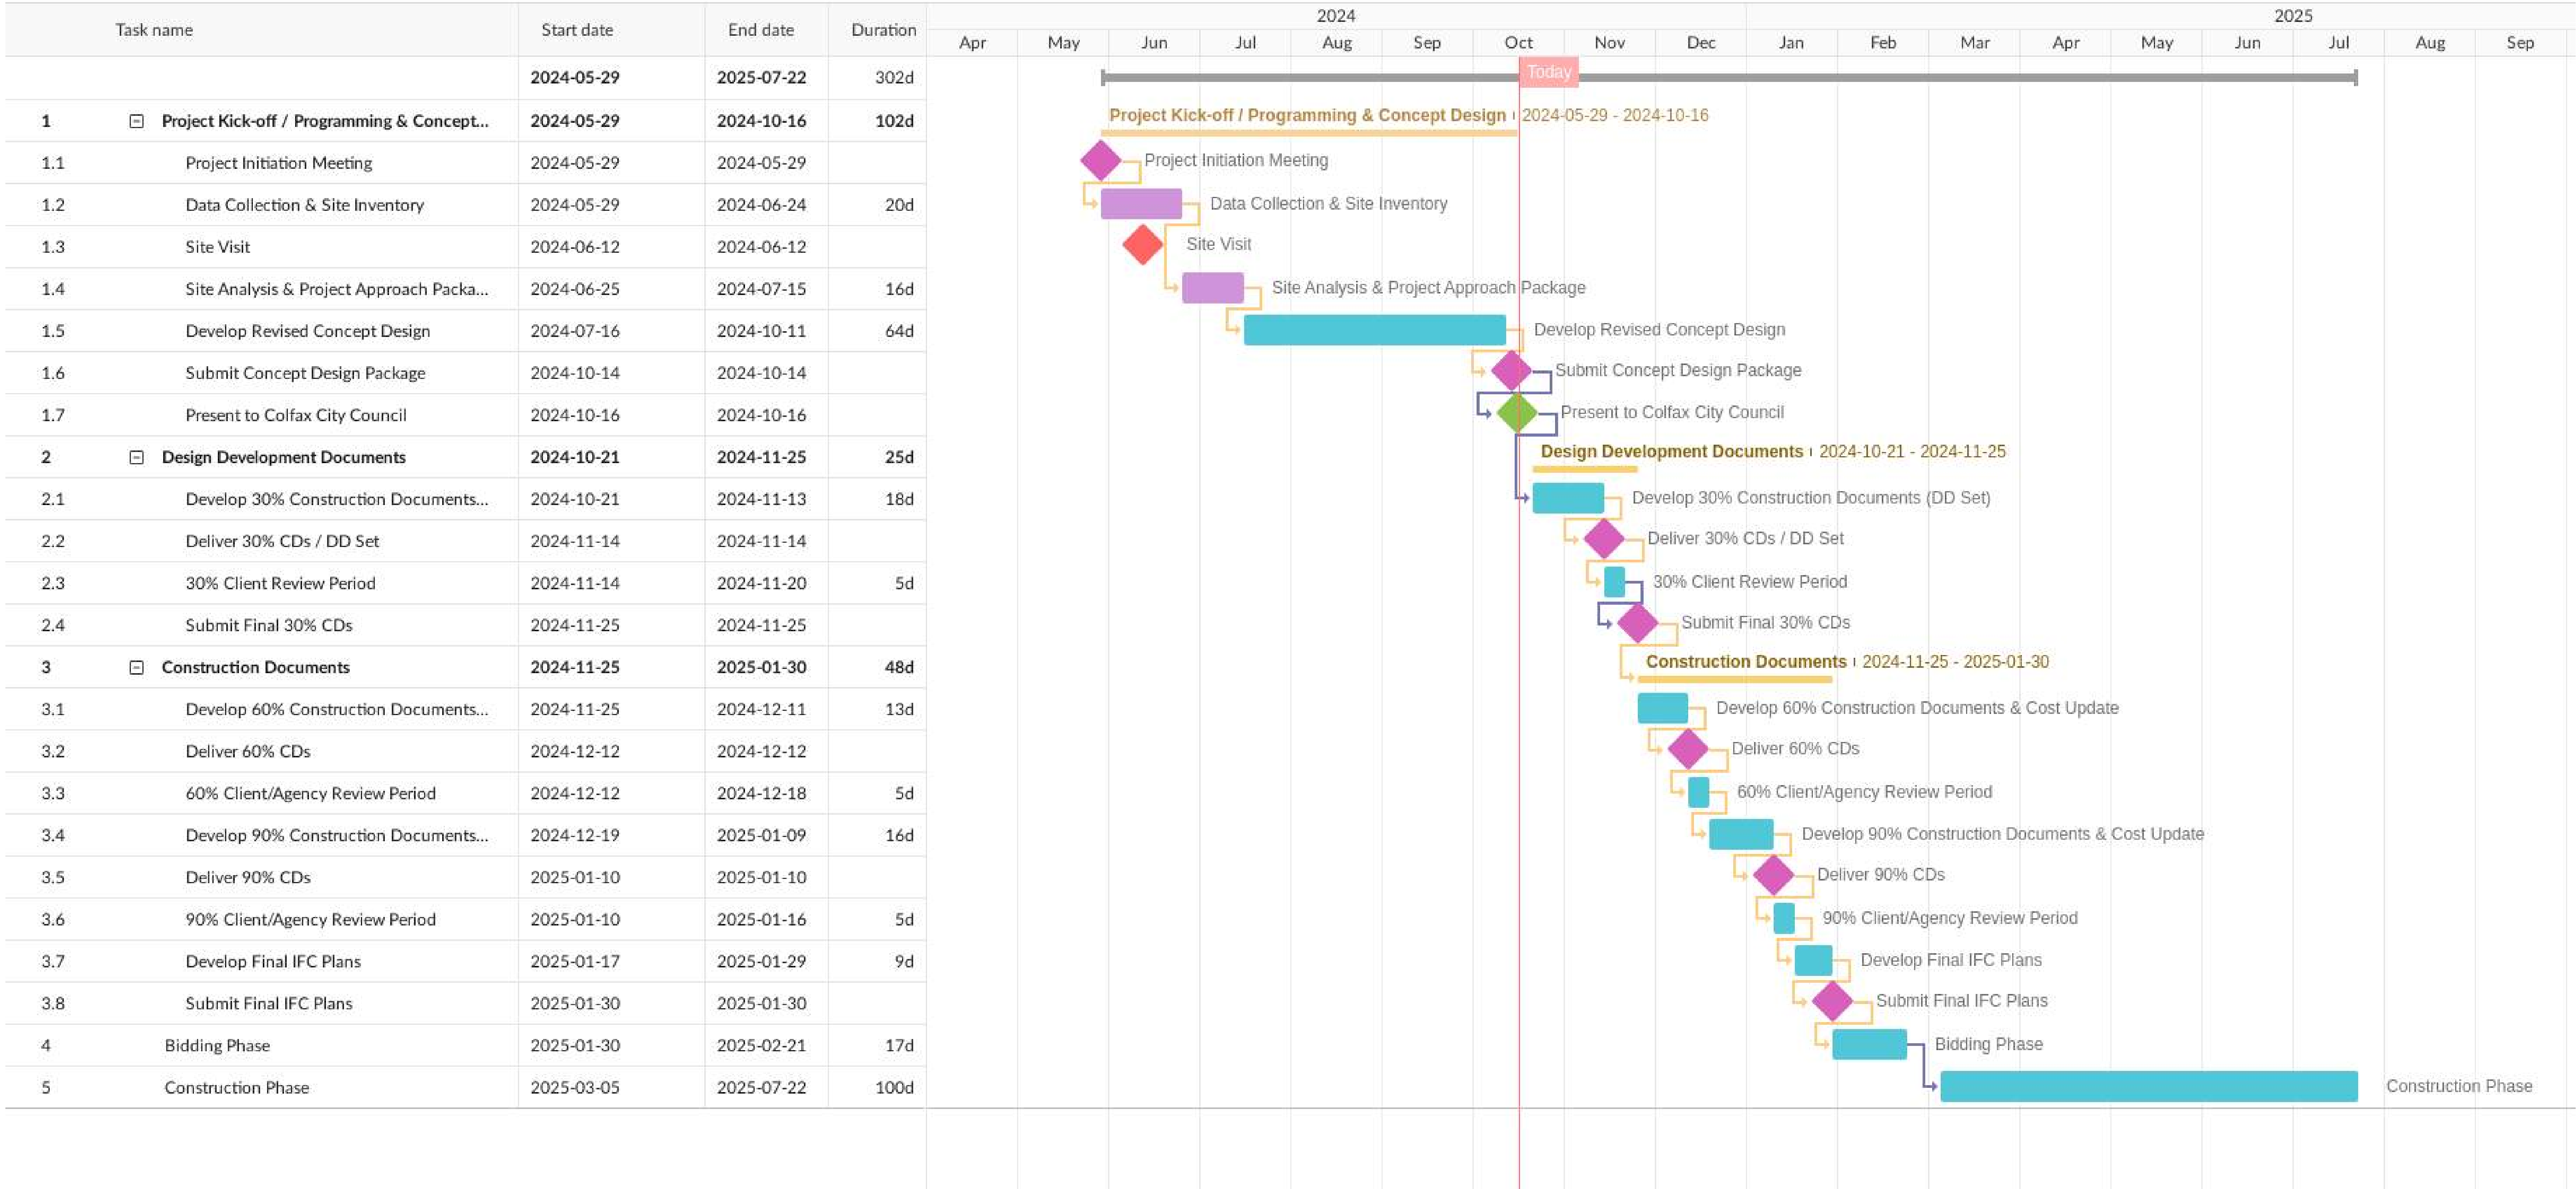

Pending “In-Kind” Donations

Colfax Best Western - 50% reduced rate for lodging (~\$75)

Triton Construction - Clearing, grubbing, and removal of material

Staff Report to City Council

FOR THE OCTOBER 23, 2024 REGULAR COUNCIL MEETING

From: United Sovereign Americans
Prepared by: Conor Harkins, City Attorney
Subject: United Sovereign Americans Resolution on Elections

Budget Impact Overview:

N/A: ✓	Funded:	Un-funded:	Amount:	Fund(s):
---------------	----------------	-------------------	----------------	-----------------

RECOMMENDED ACTION: Take no action

Summary/Background

United Sovereign Americans presented the attached resolution at the City's October 9, 2024 City Council meeting. Councilmember Lomen asked staff to add the resolution to the City Council's next agenda for discussion and there were no objections to doing so.

The resolution calls on "our Representatives" to conduct the 2024 general election in accordance with a list of "existing laws[] and equitable principles of law." Staff has reviewed the resolution and supporting documentation and cannot verify many of its factual assertions. We do not recommend adopting resolutions of dubious veracity. Staff notes that the Heritage Foundation has identified 1,561 "proven instances of voter fraud" nationwide since 1982.¹

The laws United Sovereign Americans cites supporting its proposed resolution are all federal laws — there is no reference to the California Elections Code, the Placer County Code, the Colfax Municipal Code, or any regulations or policies putting those laws into practice. It is not clear the procedures the Resolution promotes comply with the laws or procedures applicable to municipal elections in California. Therefore, we cannot recommend advocating for the changes proposed by the resolution.

October 9, 2024

Honorable Mayor Kim Douglass and Councilmembers:

Thank you for your time and attention to the Resolution for a Valid 2024 Election presented by volunteers of United Sovereign Americans (USA) during the public comment portion of the October 9, 2024, Colfax City Council meeting. Attached for your convenience is a copy of the resolution presented.

We understand that the Council is precluded from discussing or considering a non-agenda item, and request that the Resolution for a Valid 2024 Election be placed on the agenda of a future Council meeting so that it can be discussed and be considered for adoption by the City Council.

Your further action on this Resolution will illustrate your dedication and support to the concerns of your constituents and your country. We look forward to your support of fair, honest and valid elections.

Additional information about USA and the proposed resolution can be found at unite4freedom.com.

If you have any questions or concerns please let me know so someone from USA can address them.

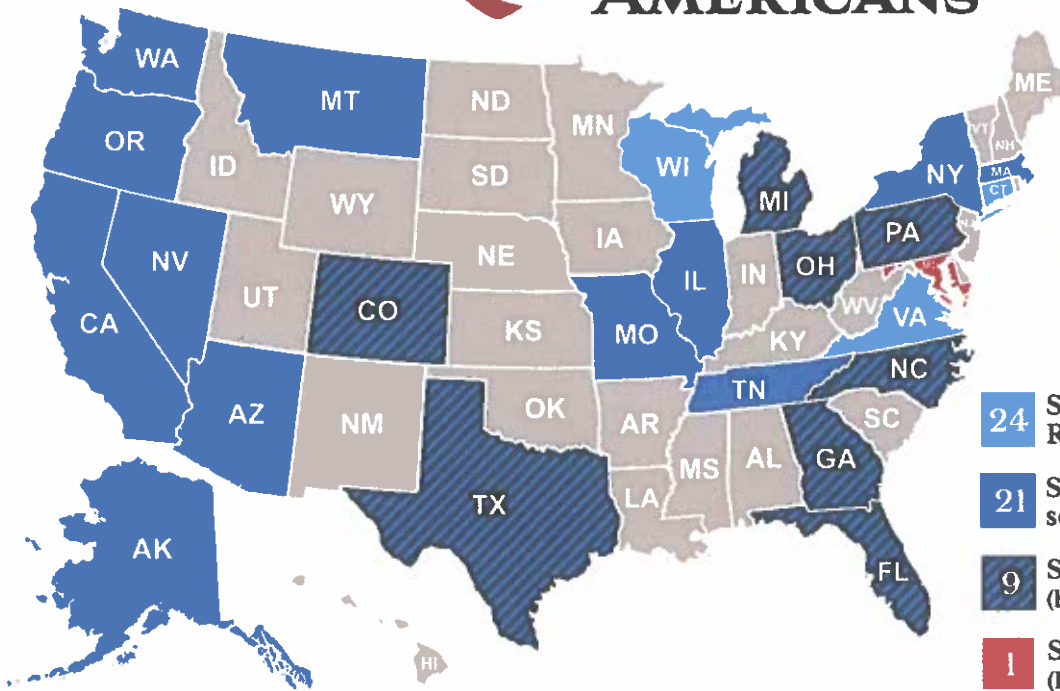

Thank you for your time and consideration.

Brian Faircloth

— ★ Resolution ★ —

for a Legally Valid 2024 General Election

Whereas It is a recognized civil right in the United States for every citizen to have free and fair elections. “And the right of suffrage can be denied by a debasement or dilution of the weight of a citizen’s vote just as effectively as by wholly prohibiting the free exercise of the franchise.” (Reynolds v. Sims, 377 U.S. 533 (1964))

Whereas It is the duty of our election officials to guarantee our elections are accurate and free from distortion or manipulation. “Congress seeks...to guard the election of members of Congress against any possible unfairness by compelling... everyone concerned in holding the election to a strict and scrupulous observance of every duty devolved upon him while so engaged... The evil intent consists in disobedience to the law.” (In Re Coy, 127 U.S. 731 (1888)).

Whereas Our constitutional system of representative government only works when the following four tenets of an election are upheld:

1. The Voter Rolls Must Be Accurate (National Voter Registration Act, 1993).
2. Votes Counted Must Be From Eligible Voters (US Constitution, Fourteenth Amendment, Section Two).
3. The Number of Votes Counted Must Equal the Number of Voters Who Voted.
4. There Can Be No More Than One in 125,000 Ballots in Error by the Voting System (Help America Vote Act, 2002).

Whereas An open-source audit of the California 2022 General Election conducted by California citizens has uncovered evidence of massive inaccuracies that appear to violate both federal and state laws, including:

- ♦ **5,886,198** ineligible or uncertain registration violations found within the California state voter roll database.
- ♦ **2,776,939** votes cast by ineligible or uncertain registrants.
- ♦ **123,785** more votes counted than voters who voted. No one knows who cast them.
- ♦ **2,776,849** apparent voting violations in excess of the legal standard of system accuracy for a valid federal election. Maximum allowable system errors for the 2022 general election in California was **90**.
- ♦ Certification as defined by law, an attestation of accuracy and compliance, appears to have been fraudulent and illegal.

Whereas These findings trample legal accuracy requirements of the voting system during a Federal Election. Accuracy is defined as the ability of the system to capture and report the specific selections, and absence of selections, made by a voter without error.

Whereas The intent of the voters must be known factually before certification can be lawfully conducted. Certification of an election that varies from the law is an abridgement of the civil rights of the citizens, a fraud *ab initio*. (United States v. Throckmorton, 98 U.S. 61 (1878)). "From time immemorial, an election to public office has been, in point of substance, no more and no less than the expression by qualified electors of their choice of candidates." (United States v. Classic, 313 U.S. 299 (1941))

Whereas California's 2022 General Election appears to have been invalid, depriving us of the guaranteed protection of our Natural Rights under a government duly and provably chosen by us, the American people, resulting in incalculable damage to our families, our way of life, and the fabric of these United States.

Therefore We call upon our Representatives to provide relief to the people, and the assurance of domestic tranquility, by joining us in demanding a VALID 2024 General Election that upholds these existing laws, and equitable principles of law:

1. Proof of citizenship, identity and eligibility to register and vote, not anonymous attestation.
2. Voter rolls certified accurate and available for public review and challenge 30 days before the start of early voting. Voters added after that date must bring proof of citizenship, identity, and address in person to a qualified official at each polling place.
3. Hand-marked, secure ballots similar to currency. Where imaging technology is used for tabulation, the security features must be verifiable in the ballot image.
4. Systems, machines, security measures, infrastructure and conduct are required to be compliant with federal law for fraud prevention regarding risk assessment, certification, testing, and implementation.
5. Adjudication must be signed-off by party, candidate, and trained citizen witnesses after being given full and effective observation rights. Candidates and trained citizens must be allowed immediate access to ballots, ballot images and CVRs.
6. Ballots, regardless of entry source, election operations, and systems must maintain end-to-end chain of custody from voter to vote count to final canvass, including auditability and witnessed transfer with paper records.
7. A NIST-compliant, randomized, statistically valid end-to-end audit, with a 95% confidence level, of all elections pursuant to the 14th Amendment, Section 2 must be performed. These audits are to be conducted by qualified, insured and bonded security, forensics or financial auditors, not personnel from within the election system. Reconciliation will include the vote count, real physical ballots, adjudication, CVRs, ballot count, qualified voter count, custody transfer, and all other paper and electronic election systems, including logs.
8. If the total of all unique variances above is more than 10% of the margin of victory, a new election must be held in the state for those candidates affected, unless the issues can be provably corrected by a manual hand recount and a full review of records.
9. Waiver of requirements is not allowed. Only end-to-end system compliance, from registration through certification, can guarantee the intent of the people is accurately recorded.

— Resolution on following page —

Be it Resolved That the Colfax City Council, Colfax, CA stands in support with the concerns and remedies presented here. We implore the Placer County Board of Supervisors, the California Legislature, Federal Legislators, Law Enforcement, Federal and State Prosecutors, Judges, and both California Secretary of State and County Registrars of Voters to cooperate and fulfill these firm requests of the people.
