Declarations:

The City of Colfax, State of California, having received an application, hereby authorizes and grants revocable license to the owner/applicant of this permit to do the work, construction and/or otherwise encroach upon the right of way (City Roadway(s)), as described above, in accordance with City of Colfax Municipal Code Chapter 12 & 15 and the General Provision of Encroachment (attached to this permit as Exhibit A). In the event a future improvement of the highway necessitates the relocation of such encroachment(s) the permittee will relocate the same at his/her sole expense. This permit shall be void unless the work herein contemplated shall have been completed before the expiration date. Permit approved subject to payment of fees and CONDITION OF WORK and is revocable at any time.

I hereby apply for a permit to encroach on City of Colfax Right of Way and hereby agree to adhere to all Provisions of Encroachment stated in the General Provisions of Encroachment, all City Codes and Ordinances, Street and Highway Codes, Vehicle Codes and all special conditions placed on this permit if granted.
